Change Meeting Time?

At our November meeting, we will vote on the start time for monthly meetings, 6:30 or 7pm. Consider your preference and also consider what you think is best to allow the club to thrive.

Board Openings

There are two positions open, Treasurer and Vice President, starting in January. If you or anyone you know might be interested, please let Kathy Hansen know. Voting for board members will be at the November meeting.

Additional Items

The Paletteers newsletter will publish notices about items that members are giving away or selling, as space permits. Send info to Eileen Mogan.

LIGHT AND MAGIC

CYANOTYPE DEMONSTRATION

VIKKI GRAY

Cyanotypes are created by laying objects on paper coated with a light-sensitive chemical. The paper is then exposed to the sun until an image is formed. The result is pure serendipity and cannot be replicated again. In general, cyanotypes are blue and white, but there are infinite variations due to tannins in the plants, intensity of light, and colorants added to the mix. Cyanotypes can also be created on glass, fabric, or even rocks.

Vikki began as a potter and sculptor in college and later moved into painting. In 2019, she retired from the oil and gas industry. Retirement gave her the time to experiment with watercolor and cyanotypes. Her cyanotypes have been on display at The Georgetown Gallery and the Artists Gallery in Canon City.

She is a member of the Wheat Ridge Art League and the Arvada Fine Arts Guild.

Art Classes and Opportunities

MAC Holiday Craft Show

PAC will have a complimentary table at the MAC Holiday Craft Show on Nov. 1, from 9 to 3:00. Participating artists can bring miniature framed art and cards to sell while they sit at the table. The shifts are 9 to 11:00, 11 to 1:00, 1 to 3:00. Please let me know if you are interested and which shift you can take. You will need to get a special event tax license if you don't already have a tax license. Or you can sell through the PAC and the club will pay the taxes.
