EXPERT FLOORCARE - PART 1

3M CLEAN & SHINE FLOOR PADS

17 inch — 3M Clean & Shine Floor Pads (17 inch) are engineered for simultaneous cleaning and polishing of hard floor surfaces. Designed with advanced abrasive technology, these pads remove soil while enhancing gloss levels in a single pass, reducing labor and maintenance time. Suitable for commercial facilities seeking efficient floor care performance.

3M HIGH PERFORMANCE MICROFIBER CLOTH

Pack of 10 pcs — 3M High Performance Microfiber Cloth (10 pcs per pack) is constructed with premium microfibers to absorb dust, grease, fingerprints, and moisture effectively. Usable dry or damp with or without chemicals. Available in red, blue, yellow, and green for HACCP compliance.

3M PURPLE DIAMOND PAD – 1 PIECE

16 inch — 3M Purple Diamond Pad – 1 piece (16 inch) designed for honing and polishing marble floors. Provides efficient surface refinement with consistent diamond abrasive performance.

3M SAFETY WALK TAPE

Various sizes — 3M Safety Walk Tape (various sizes) anti slip tape designed to enhance traction on stairways, ramps, and wet areas. Provides durable surface grip to improve workplace safety in commercial and industrial environments.

BR PROTECT 500 ML SPRAY BOTTLE

500 ml — BR Protect Spray (500 ml) eliminates harmful germs including viruses and forms a residual protective layer on treated surfaces for extended protection.

CRYSTAL GLUE

1 set — Crystal Glue epoxy resin system is formulated for stone crack repair and chip restoration. Penetrates stone surfaces and hardens to create a seamless and durable finish.

EC BEDROCK US 1 GALLON

US 1 gallon — EC Bedrock US 1 Gallon provides slip resistance for tiles and granite surfaces with annual application durability, ideal for elderly care and childcare environments.

EC CLEAN

US 1 gallon — EC Clean (US 1 gallon) is a neutral pH stone soap with optical brightener for marble floors. Cleans gently without yellowing while restoring natural gloss.

3M GLASS CLEANER & PROTECTOR

500 ml — 3M Glass Cleaner & Protector (500 ml) with Scotchgard Protection cleans and leaves an invisible protective layer on glass surfaces. It reduces fogging and resists fingerprints with repeated use. Suitable for mirrors, windows, and other glass surfaces requiring streak free clarity.

3M PAD 9650

3 x 4.5 inch — 3M Pad 9650 (3 x 4.5 inch) general scrubbing pad delivers effective stain removal while remaining surface safe. Compact design allows improved cleaning control in kitchen and food preparation areas.

3M STAINLESS STEEL POLISH AND CLEANER

600 ml — 3M Stainless Steel Polish and Cleaner (600 ml aerosol) restores shine to stainless steel surfaces while removing smudges and light soil. Ideal for commercial kitchens and food service environments.

AQUA MATTE

5 liters — Aqua Matte (5 liters) is a durable matte floor sealer designed to protect surfaces from scratches, stains, and wear. Provides a low gloss finish while forming a long lasting protective barrier for commercial flooring.

BRIGHT UP

4 x 5 liters — Bright Up (4 x 5 liters) is a 2 in 1 floor sealer and polish for vinyl, linoleum, and timber flooring. Enables sealing, waxing, and polishing in one application for reduced drying time and labor cost.

DIAMOND PADS

Various grits — Diamond Pads available in grit levels 400, 500, 800, 1000, 2000, and 3000 are designed for honing marble surfaces. Each pad delivers approximately 2000 to 3000 square feet of coverage depending on surface condition.

EC CARPET PROTECTANT

US 1 gallon — EC Carpet Protectant (US 1 gallon) forms a protective barrier on carpet fibers after shampooing to prevent stain penetration. Suitable for natural and synthetic fibers.

EXPERT FLOORCARE - PART 2

EC DIAMOND PADS – 1 PIECE

1 piece — EC Diamond Pads – 1 piece are stone grinding and honing pads available in grit 150, 300, 500, 1000, 2000, and 3000. Designed for restoring gloss and smoothness on stone flooring surfaces.

EC LEATHER & SUEDE CLEANER – 1 LITER

1 liter — EC Leather & Suede Cleaner – 1 liter effectively removes stains while moisturizing leather surfaces. Suitable for both natural leather and artificial PU materials.

EC TILE & GROUT

Powder form — EC Tile & Grout Powder is a superfine abrasive compound formulated to remove stubborn stains and soil from tiles and grout on honed or matte surfaces.

EASY ORBITAL MACHINE

13 inch — Easy Orbital Machine (13 inch) is a versatile orbital floor machine for scrubbing, stripping, and polishing. Its low resistance motion improves operator control and safety.

GRANITO SHAKE

500 ml — Granito Shake (500 ml) spray buff solution restores shine on granite surfaces while protecting against daily wear and surface dullness.

HANDY CLEAN MACHINE

430 mm width — Handy Clean Machine (430 mm work width) delivers 8000 to 12000 square feet per hour cleaning efficiency. Equipped with 3.2 liters clean water tank and 6.5 liters soil tank for extended operation.

KRYSTAL KLEER

1 set — Krystal Kleer marble polishing compound restores shine by removing mild scratches and stains without requiring diamond pads.

MS STAIN REMOVER – 1 SET

1 set — MS Stain Remover – 1 set is formulated for removal of tannin and general stains from stone flooring surfaces.

EC LEATHER & SUEDE CLEANER

1 liter — EC Leather & Suede Cleaner (1 liter) is a pH neutral formulation enriched with lanolin wax to gently clean, nourish, and condition leather and suede surfaces while maintaining softness.

EC SPRINGS US 1 GALLON

US 1 gallon — EC Springs (US 1 gallon) is a green label certified degreaser detergent delivering strong cleaning performance while remaining environmentally responsible.

EC TILE & GROUT 5 KG

5 kg — EC Tile & Grout 5 kg is an abrasive diamond scrubbing compound designed for deep cleaning ceramic and homogeneous tile flooring.

EFFLORESCENCE NEUTRALIZER

5 liters — Efflorescence Neutralizer (5 liters) effectively removes white salt deposits from marble surfaces. Designed to restore natural appearance by dissolving mineral buildup.

HANDHELD DOLLY ORGANIZER

1 unit — Handheld Dolly Organizer (1 unit) is designed to store and transport cleaning tools efficiently. Compact and durable structure improves housekeeping productivity and organization.

HEAVY DUTY FLOOR CLEANER

5 liters — Heavy Duty Floor Cleaner (5 liters) is formulated for deep removal of dirt, grease, and stubborn stains across tile, vinyl, and hard flooring surfaces.

LASTING IMPRESSION

5 liters — Lasting Impression (5 liters) is a daily buffing solution formulated to restore gloss on marble, granite, and porcelain ceramic tiles.

EXPERT FLOORCARE - PART 3

MARBLE LITE

5 liters — Marble Lite (5 liters) is a polishing compound formulated to enhance gloss and clarity on marble surfaces, restoring brightness while maintaining stone integrity.

METAL RESTORER

500 ml — Metal Restorer (500 ml) is a mild abrasive emulsion compound that removes tarnish and scratches while forming a protective barrier to maintain shine.

MICROFIBER FLAT MOPS

Standard size — Microfiber Flat Mops (standard size) are designed for efficient floor cleaning with HACCP color coding options in yellow, green, blue, and red.

MINI ORBITAL MACHINE

Square head — Mini Orbital Machine with square head design is suitable for polishing marble table tops and confined areas such as lifts and washrooms.

REVONTULET BEAUTY GLUE

1 kit — Revontulet Beauty Glue (1 kit) is a polyester resin grout replacement solution that restores grout lines with stain resistant and fungus resistant durability.

MARBLE PASTE – BIANCO AND NERO

1 kg — Marble Paste – Bianco and Nero (1 kg) is designed to polish and restore marble table tops and walls, enhancing natural veining while providing stain resistance.

MICROFIBER BONNET PAD

17 inch — Microfiber Bonnet Pad (17 inch) is engineered for carpet cleaning applications, offering superior soil absorption compared to traditional cotton pads.

MICROFIBER KENTUCKY MOP

Standard size — Microfiber Kentucky Mop (standard size) provides high absorbency and durability for wet mopping applications across commercial facilities.

NEUTRAL CLEANER

5 liters — Neutral Cleaner (5 liters) is a pH neutral multi purpose detergent designed for safe cleaning of delicate surfaces without alkaline damage.

ROCK STAR

5 liters — Rock Star (5 liters) is a polishing compound formulated to enhance gloss on granite and tiles, restoring natural brilliance with reduced polishing effort.

PROFESSIONAL HOUSEKEEPING - PART 1

3M FLOOR PAD

20 inch — 3M Floor Pad (20 inch) scrubbing and polishing pad available in red and white variants. Designed for routine floor maintenance, it effectively removes light soil and scuffs while maintaining surface finish. Supplied in packing of 5 pieces per case, ideal for commercial floor machines.

3M PAD 96 WITH CELLULOSE

6 x 9 inch — 3M Pad 96 with Cellulose (6 x 9 inch) heavy duty scouring pad engineered for removal of baked on food residues. Reinforced with abrasive particles throughout the pad for consistent performance, replacing steel wool and scrapers.

AIR SCRUBBER

50 cubic meters per hour — Air Scrubber with 50 m³ per hour capacity operates at 100 W and 220 V for effective air purification. Portable ozone generator system suitable for areas of 31 to 40 square meters, reducing airborne contaminants and odors.

ANTI BAC HANDSOAP - 5 LITERS

5 liters — Anti Bac Handsoap – 5 liters is an environmentally friendly antiseptic hand soap using Duochlosan formulation. Designed for effective removal of harmful germs during routine handwashing in commercial facilities.

AQUARIUS MULTIFOLD TOWEL DISPENSER

1 unit — Aquarius Multifold Towel Dispenser (1 unit) is an interfold towel system with locking mechanism to reduce contamination and wastage. Suitable for high traffic commercial washrooms.

CEDAR LAVENDAR

100 ml — Cedar Lavendar (100 ml) is a relaxing fragrance blend of lavender and cedarwood, suitable for spa, salon, and hospitality environments.

DREAMSTORY

100 ml — Dreamstory (100 ml) is an exotic fragrance blend of citrus, ylang ylang, and teak wood, ideal for reception areas and living spaces requiring a refined ambient scent.

EASY SCRUB EXPRESS FLAT MOP

Starter kit — Easy Scrub Express Flat Mop starter kit is a lightweight wet mop system with interchangeable solution bottles and adjustable aluminum handle for efficient floor cleaning.

3M PAD 9030

3.5 x 5 inch — 3M Pad 9030 (3.5 x 5 inch) light duty scrubbing pad designed for delicate surfaces such as glass, porcelain, and china. Provides gentle cleaning action without scratching, suitable for kitchens and hospitality operations.

3M STAINLESS STEEL CLEANER & PROTECTANT WITH SCOTCHGARD TECHNOLOGY

600 ml — 3M Stainless Steel Cleaner & Protectant (600 ml aerosol) leaves a protective layer on stainless steel surfaces to reduce fingerprints and dust accumulation. Water based and non corrosive formula ensures streak free finish.

ALL CLEAN

5 liters — All Clean (5 liters) is a multi purpose detergent formulated at pH 8 for general cleaning applications. Suitable for dishwashing, pot and pan cleaning, and medium soil removal while remaining skin friendly.

AQUARIUS JRT DISPENSER

1 unit — Aquarius JRT Dispenser (1 unit) features a smoke transparent lockable cover to prevent pilferage and moisture contamination. Designed for jumbo roll tissue dispensing in washrooms.

BR PROTECT

5 liters — BR Protect (5 liters) provides up to 100 days of antimicrobial surface protection. Forms a protective barrier that continuously inhibits harmful germs in commercial and public environments.

CITRONELLA

100 ml — Citronella (100 ml) fragrance oil is formulated to help repel flying insects while providing a fresh herbal scent for indoor environments.

EASY SCRUB 5 LITERS

5 liters — Easy Scrub (5 liters) is a gentle abrasive detergent formulated to remove stubborn stains without damaging surfaces. Suitable for kitchen and general maintenance use.

PROFESSIONAL HOUSEKEEPING - PART 2

EASY SCRUB EXPRESS MICROFIBER CLOTH

1 piece — Easy Scrub Express Microfiber Cloth (1 piece) is designed for use with flat mop systems, offering fast and efficient cleaning performance with durability up to 300 washes.

FOAM SOAP DISPENSER (VIDA RANGE)

1 unit — Foam Soap Dispenser Vida Range (1 unit) uses pressurized technology to mix soap and air, delivering controlled foam output and reducing soap usage.

GREEN PURITY ANTIBACTERIAL PERFUME

100 ml — Green Purity Antibacterial Perfume (100 ml) contains phytoncides to help reduce airborne germs while enhancing indoor air quality.

JRT 310 METERS

310 meters per roll — JRT 310 Meters tissue rolls (12 rolls x 310 meters) are designed for high capacity washroom applications requiring extended usage and reduced refill frequency.

KIMBERLY CLARK PERSONAL SEAT COVERS

Pack format — Kimberly Clark Personal Seat Covers provide hygienic individual toilet seat protection, enhancing washroom cleanliness and user confidence.

KLEENTEX FOOTBATH MAT

1 piece — Kleentex Footbath Mat (1 piece) replaces traditional foot bath reservoirs. Slip resistant and easy to maintain, ideal for food processing entrances.

LASER LEMON

100 ml — Laser Lemon (100 ml) is a strong deodorizing fragrance formulated to eliminate malodor in garbage rooms and washrooms.

MERIDIAN MICROFIBER CLOTHS

Pack assorted — Meridian Microfiber Cloths (assorted pack) provide high absorbency and efficient surface cleaning. Color coded options support HACCP compliance in housekeeping and food service.

FOAM SOAP

5 liters — Foam Soap (5 liters) produces rich lather while reducing water consumption. Designed for use with foam soap dispensers to improve hygiene efficiency.

GLASS CLEANER

5 liters — Glass Cleaner (5 liters) is formulated for streak free window and glass cleaning. Fast drying detergent suitable for commercial glass maintenance.

HAND SANITIZER

5 liters — Hand Sanitizer (5 liters) is a Jakim Halal certified gel formula designed for effective germ elimination in food handling and healthcare environments.

JEWEL HEART PERFUME

100 ml — Jewel Heart Perfume (100 ml) blends ylang ylang, white tea, and oriental oak notes to create an elegant and refined ambient fragrance.

KIMBERLY CLARK SENSOR HRT DISPENSER

1 unit — Kimberly Clark Sensor HRT Dispenser (1 unit) is a touchless electronic hard roll towel system designed to improve hygiene while reducing cross contamination.

L30 BRAG BOX

Brag box pack — L30 Brag Box Wiper is a single use wiper designed for effective removal of grease, oil, and water in food and industrial settings.

LEMONGRASS TEA

100 ml — Lemongrass Tea (100 ml) offers a spa like aromatherapy fragrance combining fresh lemongrass and ginger notes.

PROFESSIONAL HOUSEKEEPING - PART 3

MILLENNIUM TANGO

100 ml — Millennium Tango (100 ml) features lively notes of praline, berry, and cinnamon, creating an energizing ambient fragrance for social spaces.

ORC

5 liters — ORC (5 liters) is a heavy duty degreaser with pine fragrance formulated to remove organic and inorganic grease from floors and equipment through emulsification and saponification action.

PINE LIQUID - 5 LITERS

5 liters — Pine Liquid – 5 liters is a multi purpose detergent blended with pine oil to provide cleaning, deodorizing, and insect repelling performance.

QUAT SANITIZER RTU - 5 LITERS

5 liters — Quat Sanitizer RTU – 5 liters is a ready to use quaternary ammonium sanitizer that eliminates pathogens while leaving antimicrobial surface protection.

MOCHA CREAMA

100 ml — Mocha Creama (100 ml) delivers a bold fragrance of dark chocolate with subtle latte undertones, suitable for hospitality environments.

OVEN CLEANER

5 liters — Oven Cleaner (5 liters) is a carbon stain remover suitable for hotplates, griddles, ovens, and charbroiled grills. Designed for commercial kitchen deep cleaning.

QUAT SANITIZER CONCENTRATED

5 liters — Quat Sanitizer Concentrated (5 liters) is a food grade ammonium based bactericide with broad spectrum antimicrobial activity for sanitation applications.

MENANGFAX

GENERAL CLEANING - PART 1

3M OIL MONITORING STRIPS

Pack of 100 strips — 3M Oil Monitoring Strips (100 strips per pack) measure free fatty acid concentrations at 1 percent, 1.5 percent, 2 percent, and 2.5 percent. Ideal for food processing environments to monitor oil degradation and maintain regulatory compliance.

ANTI BAC HANDSOAP

5 liters — Anti Bac Handsoap (5 liters) is formulated with Trichlosan for effective elimination of germs and fungi. Recommended for food handlers and hygiene sensitive environments requiring reliable antimicrobial hand cleansing.

DW DRY

5 liters — DW Dry (5 liters) is a rinse additive for dishwashing machines that neutralizes pH and accelerates drying without manual wiping. Ensures spotless and streak free tableware.

DRAIN ENZYME

5 liters — Drain Enzyme (5 liters) is a biological solution formulated to digest fats, oil, and grease in drain pipes and grease traps. Automated dosing optimizes performance and reduces blockages.

EC BEDROCK

US 1 gallon — EC Bedrock (US 1 gallon) is an anti slip treatment for ceramic tiles that enhances surface grip and improves safety. Lasts up to 12 months with dilution ratio of 1 to 30.

MERIDIAN HEATING GEL

1 canister — Meridian Heating Gel (1 canister) produces a clean blue flame for chafing dishes and food warmers, minimizing carbon residue on stainless steel surfaces.

PANDANGO – 5 LITERS

5 liters — Pandango – 5 liters is a super concentrate multi purpose detergent engineered for cost efficient cleaning performance across general surfaces.

PINE LIQUID

5 liters — Pine Liquid (5 liters) is a pine based disinfectant cleaner that removes dirt and grime while offering insect repelling properties.

3M PURPLE DIAMOND PAD

17 inch — 3M Purple Diamond Pad (17 inch) diamond coated floor pad for honing and polishing marble, terrazzo, slate, and polished concrete. Enhances gloss while reducing need for floor finishes and minimizing labor.

CHLORINE / QUATERNARY TEST STRIPS

100 strips — Chlorine / Quaternary Test Strips (100 strips per pack) are designed to verify sanitizer concentration levels for HACCP compliance in food processing operations.

DW DRY – 5 LITERS

5 liters — DW Dry – 5 liters is a mild acid based wetting agent designed to enhance drying performance in commercial dishwashers while preventing water spotting.

DRAIN ENZYME – 5 LITERS

5 liters — Drain Enzyme – 5 liters is a grease digesting enzyme solution engineered to break down FOG buildup in drainage systems, improving flow efficiency and hygiene standards.

HAND SANITIZER- 1 LITER WITH FUN PUMP

5 liters — Hand Sanitizer (5 liters) is a Jakim Halal certified gel formula designed for effective germ elimination in food handling and healthcare environments.

MOZONE FLYING INSECT REPELLANT – 1 UNIT

1 unit — Mozone Flying Insect Repellent – 1 unit is compatible with automatic dispensers, helping maintain insect free premises.

PIEZO PERFUME DISPENSER

1 unit — Piezo Perfume Dispenser (1 unit) covers up to 1500 square feet and provides automated fragrance dispersion to enhance indoor air quality.

GENERAL CLEANING - PART 2

SANTABS

300 tablets per tub — Santabs (300 tablets per tub) are sanitizing tablets designed for controlled dissolution and effective disinfection in commercial environments.

SCALE OFF

5 liters — Scale Off (5 liters) is a lime scale remover formulated to eliminate calcium and magnesium deposits from kitchen heating elements.

SCOTT CENTER PULL BATHROOM TISSUE

Center pull system — Scott Center Pull Bathroom Tissue provides hygienic controlled dispensing for improved washroom compliance and reduced wastage.

SCOTT FOAM SOAP

1 liter refill — Scott Foam Soap (1 liter refill) delivers dermatologically tested rich foam lather for effective hand cleansing while reducing water usage.

SCOTT HYGIENIC BATHROOM TISSUE (HBT) 2PLY

Case pack — Scott Hygienic Bathroom Tissue 2 ply offers enhanced softness and strength with hygienic individual sheet dispensing for improved compliance.

SCOTT JUMBO ROLL TISSUE 200METER

16 rolls x 200 meters — Scott Jumbo Roll Tissue 200 meter (16 rolls per case) provides 2 ply comfort and high capacity usage for commercial washroom environments.

SCOTT POP UP NAPKIN

8 packs x 360 sheets — Scott Pop Up Napkin (8 packs x 360 sheets) meets HACCP standards for food service hygiene, offering reliable absorbency and controlled dispensing.

SCOTT SLIMROLL HRT

High capacity roll — Scott Slimroll HRT high capacity hand towel roll utilizes Airflex technology to provide soft yet durable drying performance.

SANWAH KENMA GLOSS METER

1 unit — Sanwah Kenma Gloss Meter (1 unit) measures gloss levels from 1 degree to 150 degrees, suitable for evaluating floor finish, automotive polish, and glass surfaces.

SCOTT ALCOHOL AUTOMATIC HAND SANITIZER DISPENSER

1 unit — Scott Alcohol Automatic Hand Sanitizer Dispenser (1 unit) is a touchless system designed to enhance hand hygiene while reducing cross contamination.

SCOTT ESSENTIAL M-FOLD HAND TOWEL

4 packs x 250 sheets — Scott Essential M-Fold Hand Towel (4 packs x 250 sheets, total 1000 sheets) features Airflex technology for improved absorbency and strength. Interfold design ensures single sheet dispensing to reduce wastage.

SCOTT HYGIENIC BATHROOM TISSUE (HBT) 1 PLY

Case pack — Scott Hygienic Bathroom Tissue 1 ply is designed for controlled dispensing systems, improving hygiene and minimizing paper waste in commercial washrooms.

SCOTT HYGIENIC BATHROOM TISSUE (HBT) DISPENSER

1 unit — Scott Hygienic Bathroom Tissue Dispenser (1 unit) features ABS plastic body with color coded ring and locking system to protect tissue from contamination.

SCOTT JUMBO ROLL TISSUE 400 METER

16 rolls x 400 meters — Scott Jumbo Roll Tissue 400 meter (16 rolls per case) single ply tissue designed for value driven high traffic washrooms requiring extended roll length.

SCOTT POP UP NAPKIN DISPENSER

1 unit — Scott Pop Up Napkin Dispenser (1 unit) protects napkins from contamination and reduces wastage in restaurant environments.

GENERAL CLEANING - PART 3

SCOTT SLIMROLL HRT MINI SENSOR DISPENSER

1 unit — Scott Slimroll HRT Mini Sensor Dispenser (1 unit) uses infrared activation to reduce paper wastage and cross contamination.

SILICONE IMPREGNATOR 5 LITERS

5 liters — Silicone Impregnator (5 liters) is a silicone based stone sealer that protects natural stone surfaces from staining and wear.

SOAK IT - 6 KG

6 kg — Soak It – 6 kg is a specialty soaking powder designed to remove tea and coffee stains safely without chlorine content.

SPRING CLEANER

5 liters — Spring Cleaner (5 liters) is an eco friendly multi purpose cleaner derived from d-limonene, effectively removing grease and grime while leaving a fresh citrus scent.

STAIN REMOVER

Various formulas — Stain Remover is a poultice based treatment available in Rust, Grease, and General formulations to extract deep embedded stains from porous stone surfaces.

STAINLESS STEEL FLY TRAP MACHINE

1 unit — Stainless Steel Fly Trap Machine (1 unit) features dual UV light bulbs and reflective stainless steel housing to attract and trap flying insects hygienically.

STONE FILLING HARDENER

1 liter — Stone Filling Hardener (1 liter) penetrates stone chips and cracks to provide durable repair and structural reinforcement.

STONE IMPREGNATOR - WATER BASED

1 liter — Stone Impregnator – Water Based (1 liter) provides long lasting protection against water and oil stains while preserving natural stone appearance.

SENSOR FOAM SOAP DISPENSER

1000 ml capacity — Sensor Foam Soap Dispenser (1000 ml capacity) is infrared activated to dispense controlled foam output, ideal for healthcare and food processing facilities.

SOAK IT

6 kg — Soak It (6 kg) is an oxygen bleach powder blended with surfactants for effective removal of tannin stains from cups and tableware.

SPIDER REPELLANT

500 ml — Spider Repellant (500 ml) is formulated with herbal extracts to deter spiders and prevent cobweb formation in treated areas.

STAIN OFF

5 liters — Stain Off (5 liters) is a powerful disinfectant soak designed to remove stubborn stains from cutting boards, utensils, and hard surfaces.

STAINLESS STEEL CLEANER & POLISH

2 x 500 ml — Stainless Steel Cleaner & Polish (2 x 500 ml spray bottles) is a water based, food safe formula designed to clean and polish stainless steel surfaces without dye or fragrance.

STONE BLACK PIGMENT

1 bottle — Stone Black Pigment (1 bottle) enhances the depth and richness of black granite during polishing, delivering long lasting color vibrancy.

STONE HARDENER

1 liter — Stone Hardener (1 liter) penetrates marble pores to strengthen surface integrity, reducing cracks and extending durability.

GENERAL CLEANING - PART 4

TSR - TILE STAIN RELEASE

5 liters — TSR – Tile Stain Release (5 liters) is an acid based paste formulated to remove stubborn stains from ceramic and porcelain tiles.

TERMITE CONTROL & PREVENTION

500 ml — Termite Control & Prevention (500 ml) is a spray solution designed to minimize termite activity and prevent cluster formation in treated zones.

TERMITE MONITORING STATION

25 pcs per box — Termite Monitoring Station (25 pieces per box) provides continuous termite detection and asset protection when installed at entry points.

THOROBRED ROTARY MACHINE

17 inch — Thorobred Rotary Machine (17 inch, 2.5 HP motor) is a heavy duty stone care machine operating at 175 RPM with 15 liters water tank capacity.

TIMBER STAR

5 liters — Timber Star (5 liters) is a linseed oil based restorer that nourishes and polishes timber flooring to a natural sheen.

TOLEPOXY GROUT REPAIR KIT

1 kit — Tolepoxy Grout Repair Kit (1 kit) contains epoxy grout solution designed for repairing cracks, chips, and missing grout with stain resistant durability.

TRIPAD

Various sizes — Tripad polishing system offers faster marble grinding and polishing performance compared to conventional diamond pads.

VANGUARD

5 liters — Vanguard (5 liters) is a 3 in 1 detergent, deodorizer, and quaternary sanitizer designed for two step cleaning efficiency.

VIRUS KEEPER - TURN YOUR AIR CONDITIONER TO AIR PURIFIER AND KEEP YOUR LOVED ONE SAFE

1 filter unit — Virus Keeper filter (1 unit) uses nano silver technology to reduce PM2.5, bacteria, viruses, and odors when installed in air conditioning systems.

WASHABLE LAUNDER MATS FOR TRAPPING DUST & SOIL

Various sizes — Washable Launder Mats available in various sizes are durable nylon entrance mats designed to trap dust and soil while being machine washable.

WYPALL ESSENTIAL TASK WIPERS

Case pack — Wypall Essential Task Wipers are HACCP certified wipes designed for hygienic cleaning in food service environments.

WYPALL WET TASK

Roll system — Wypall Wet Task roll system provides controlled wet wiping for industrial and food processing applications.

WYPALL X80 PLUS QUARTERFOLD COLOR CODED WIPERS

Quarterfold pack — Wypall X80 Plus Quarterfold Color Coded Wipers deliver high absorbency and tear resistance with color coding to support contamination control protocols.

SPECIALIZED SOLUTIONS & SERVICES

CAT REPELLANT

500 ml — Cat Repellant (500 ml) is formulated with natural ingredients to deter feline activity in treated areas. Suitable for residential and commercial perimeter control.

FLY REPELLANT

500 ml — Fly Repellant (500 ml) utilizes natural herbal extracts to deter flying insects, suitable for commercial and residential premises.

MOZONE FLYING INSECT REPELLANT

1 unit per month — Mozone Flying Insect Repellant (1 unit per month) is designed for use in electronic dispensers to repel flying insects effectively.

L10 ROLL CONTROL TOWEL

6 rolls per carton — L10 Roll Control Towel (6 rolls per carton, 1000 sheets per roll) provides high capacity wiping performance for industrial and commercial environments.

COCKROACH BAIT

3 bait per pack — Cockroach Bait (3 baits per pack) uses targeted baiting technology to reduce cockroach infestations effectively in commercial and residential settings.

INSECTS GLUE TRAP

Glue board — Insects Glue Trap glue board is designed for insect light trap systems, effectively capturing flying insects in food service and pest control environments.

CLEAN ADVANCE (SF)

5 liters — Clean Advance SF (5 liters) is an automated dishwasher detergent with built in defoamer and water conditioner. Prevents scale buildup and improves machine longevity.
