---

The Viera Hammers Wrestling Club is home to the Viera High School Boys and Girls Wrestling Teams. We help to provide training and direct support to the Viera High Wrestling Program. The Viera Hammers Wrestling Club supports Viera's Varsity boys, Varsity girls, Junior Varsity, Middle School, Novice Youth, and Advanced Youth level teams.

The Viera Hammers Wrestling Club is an official charter under USA Wrestling - the governing body of the U.S. Olympic Wrestling Team and an official affiliate of The Amateur Athletic Union (AAU Wrestling).

## **ORGANIZATIONAL MISSION**

**The Viera Hammers Wrestling Club is a 501(c)(3) non-profit public charity organization focused on providing the community with quality after-school youth athletic programs. (EIN: 33-4187855) (DLN: 26053486002535).**

The Viera Hammers Wrestling Club is open to boys and girls in grades Kindergarten to Grade 12.

The mission of Viera Hammers is to provide local youth of all ages with a healthy and productive after-school activity to promote a healthy lifestyle, good exercise habits, and education, while simultaneously helping to grow and promote the sport of wrestling throughout Brevard County and the state of Florida.

Our goal is to introduce and reinforce the foundational principles of wrestling as a way to educate and instill values such as teamwork, self-discipline, sportsmanship, respect, resilience, and leadership. Wrestling has been proven to help children and teens with their development of social skills and problem-solving skills; as well as helping to build their confidence both on and off the mat. We believe that the principles learned through the sport of wrestling go well beyond just winning and losing.

When it comes to developing our student-athletes, we encourage them to set goals and exercise accountability.

We accomplish this by promoting "**The 6 C's**": Commitment, Consistency, Coachability, Competition, Communication, and Character.

Over the years, the Viera Hammers Wrestling Club has had the privilege and opportunity to assist countless youth who have come from many diverse and often troubled backgrounds. Several of our youths come from difficult circumstances and are in need of a positive outlet and sense of community. We assist them by helping to cover the cost of registration fees and other costs associated with practice, competition, and travel. More importantly, we assist them by putting emphasis on education, integrity, and responsibility.

Most of our coaches and volunteers come from public service and public safety backgrounds such as Fire-Rescue, Law Enforcement, EMT-Paramedic, Military, Nursing, and Education (Teachers). We firmly believe that by surrounding our youth with positive role models we can greatly impact on their lives in a positive manner.

Many of our former youth participants have gone on to join college/university, the military, or gone into public service, such as Fire-Rescue, Emergency Medical Services, Law Enforcement, and Nursing.

We hope that you will join us in supporting these exceptional young men and women as we continue to ensure that they have a brighter future.

## **WHY SUPPORT VIERA WRESTLING?**

The sport of Wrestling is a unique and challenging sport. It is a sport that requires great discipline and dedication on the part of all participating student-athletes.

What makes wrestling unique is the capacity to be a truly all-inclusive sport that provides an opportunity for every member of the team to participate regardless of their age, size, skill level, or even physical disability.

The sport of Wrestling is team sport, as well as an individual sport, allowing for every member of the team to be involved in competition. Wrestling has various age divisions and weight classes for both boys and girls ranging from 40 lbs. all the way up to 285 lbs. This provides everyone with an equal opportunity to participate regardless of their size or skill level. This also makes it possible to retain all members and grow the team without the necessity to cut or exclude anyone from participating. The Viera Wrestling program currently consists of around 65+ student-athletes, making it one of the largest sports teams in the area.

In 2020, the Florida High School Athletic Association (FHSAA) officially sanctioned girls wrestling as a Varsity sport at the high school level. Combined with the popularity of sports like Brazilian Jiu Jitsu (BJJ) and Mixed Martial Arts, such as the Ultimate Fighting Championships (UFC), participation in the sport of wrestling continues to grow. The recent addition of Collegiate Women's Wrestling to the NCAA National Championships has caused participation in the sport to grow exponentially. Each year, several Colleges and Universities around the country are adding men's and women's wrestling to their athletic programs.

The Viera Wrestling Program focuses on more than just athletics. We take great care in the development of our student-athletes to ensure that they become champions both on and off the mat. We pride ourselves in our ability to develop leaders in the classroom and leaders in life. We put an emphasis on education and other values that go well beyond the athletic experience. With your support, we hope to continue providing the youth of our community with valuable life skills and with an experience that they will remember for the rest of their lives.

## **THIS PAST SEASON**

During the 2024-2025 wrestling season, the Viera Wrestling program saw success with both the Boys and the Girls Wrestling Teams winning back-to-back District Championship Titles (2024 & 2025). The boy's wrestling team was also the back-to-back District Duals Champions (2024 & 2025), while the girl's wrestling team was the back-to-back Cape Coast Conference Champions (2024 & 2025).

The Viera Wrestling Program also saw success at the State Championships, with the boys' team finishing 26th place overall in the state and the girls' team finishing 6th place in the state.

The Viera Wrestling team finished the high school season with seven (7) individual state qualifiers and six (6) individual state place-winners, including Viera High School's (and Brevard County's) first ever girls High School State Champion.

The Viera Hammers Wrestling Club also experienced accomplishments at the national level with their first High School All-Americans. Out of seven (7) Viera Wrestlers competing at the National Tournament, two (2) members of the Viera girls' wrestling team earned All-American Honors.

In addition, one of the Viera girls earned National Ranking status becoming the #25 ranked 135lb female high school wrestler in the country. Both All-American girls will be graduating from Viera High School and moving on to wrestle at the collegiate level in the NCAA.

The Viera Wrestling Program has secured numerous academic and athletic scholarships for our wrestlers to compete at the next level. Several Viera Wrestlers have gone on to compete at the collegiate level, including the NCAA, NAIA, and NCWA. With your support, it is our goal to continue this tradition of sending our wrestlers to college, whether it be on their merits athletically or academically.
