

DATA SHEET

QUINTA DOS CURRAIS DOC Beira Interior Síria white 2022

Single varietal wine, made 100% from the grape variety Síria. This grape is one of the most typical white varieties planted in our region. The grapes were vinified in our winery, located in the middle of the vineyards, in Capinha - Fundão, the heart of Cova da Beira, between the Gardunha and Estrela mountains. It's fruit from vines with an altitude close to 500 meters above sea level, planted in granitic and schist soils.

Quality Factors

Climate . Mediterranean

Soil . Granite and Schist

Density of Plantation . 3500 to 4000 plants per hectare

Type of Pruning . Single and double curtain and guyot

Yield per hectare . 6 tonnes of grapes per hectare
