

THE MACHINE THAT WILL EAT YOUR SOUL

You think AI is a tool. The Bible says it is a prophecy.

The world calls it “*innovation.*” The Vatican calls it a “*partner for the common good.*” The globalists call it the “*Fourth Industrial Revolution.*”

God calls it something else.

He calls it the Tower of Babel rebuilt with silicon and electricity. He calls it the “dark sentences” of **Daniel 8:23** — technology so complex its own creators do not understand it. He calls it the spirit of Balaam and Korah, disguised as progress, seducing the Church into spiritual adultery with the age. **Your congregation is being prepared to bow to this machine — and they do not even know it.**

THIS IS NOT A TECH TALK. THIS IS A SPIRITUAL WAR BRIEFING.

Rabbi Jacob Benzaquen is available for a one-weekend engagement that will rip the veil off the AI deception and arm your people with biblical clarity.

WHAT YOU WILL UNCOVER

Topic	The Lie	The Truth
The Black Box	AI is safe if regulated	Its creators admit they do not understand it — and it is already loose on society
The Hybrid Dream	Neuralink and transhumanism are progress	They are the erasure of the image of God
The Vatican Alliance	The Church must guide AI ethically	The RCC is already partnering with tech elites to build a global control system
The End-Times King	This is just politics	Daniel 8 describes a leader who understands "dark sentences" — AI is that enigma
The Mark of the Beast	A future speculation	The Data AI infrastructure for biometric surveillance and digital identity is being installed *now*

THE 19 DANGERS — A SAMPLE

- 1. Automation of Deception** — AI mass-produces lies faster than truth can refute them.
- 2. Cognitive Atrophy** — Outsourcing thought to the machine lobotomizes the soul.
- 3. Erasure of Agency** — Algorithms make life-and-death decisions with no accountability.
- 4. The Panopticon** — Every device becomes an informant.
- 5. Synthetic Social Engineering** — Public opinion is manufactured, not formed.
- 6. The Hybrid Danger** — Neuralink and BCI integration make your consciousness a product.
- 7. The Death of Expertise** — Machine averages replace hard-won wisdom.
- 8. Biometric Surveillance** — Amazon One and palm scanners remove the last shred of anonymity.

Your people need to know. They need to be prepared. They need to stand.

BULLETIN ANNOUNCEMENT — COPY AND PASTE

“A machine is rising that its own creators cannot control. The Vatican is partnering with it. The globalists are funding it. And the Church is being told to embrace it. This weekend, Rabbi Jacob Benzaquen delivers an urgent prophetic briefing: AI, the Dark Sentences, and the End-Times King. You will never look at your phone the same way again. Do not miss this.”

"And they overcame him by the blood of the Lamb, and by the word of their testimony; and they loved not their lives unto the death." — Revelation 12:11

Greater is He who is in you than he who is in the machine.

Yeshua Christ is Lord and King of kings forever. Amen.
