

STOP BEING A STATISTIC. FIND YOUR TRIBE.

A Guest Speaker Weekend That Will Reorder Your Congregation from Atomized Individuals to a Kingdom Assembly

You were not created to drift. You were created to stand under a Standard.

The modern world counts you as a unit of consumption, a social security number, a ghost in the machine. But God does not manage a mob — He organizes a Nation. In the wilderness of Bamidbar, He called for a census not for taxation, but for [Heb] *Pakad* — the appointment of every man to his station.

Many of Your people are lost because they do not know their station.

They have gifts but no placement. They have burdens but no tribe. They are trying to build the Kingdom alone, and they are being burned out, sidelined, and picked off by the enemy.

This weekend changes that.

WHAT YOUR CONGREGATION WILL EXPERIENCE

Session	Title	Outcome
Friday Night	The Census of the King	Exposes the lie of the atomized individual and the biblical mandate for tribal order
Saturday Morning	The Diagnostic Assessment	A 25-question mapping that reveals each person's functional tribe — Judah, Issachar, Zebulun, Dan, Ephraim, and more
Saturday Afternoon	The Practicum	Hands-on breakout: identify your Provoked Competence and your antipathy. Walk away with a concrete tribal assignment and a 7-day action step
Sunday Morning	The 12-Fold Kingdom	How the tribes operate together as the Body of Christ. The final integration of gifts, stations, and standards

THE TOOL: TRIBAL DIAGNOSTIC ASSESSMENT

Every attendee will take a proprietary 25-question assessment that maps them to one of the 12 spiritual tribes:

- **Judah** — Lion, Royalty, Leadership
- **Issachar** — Donkey, Strategic Intellect, Understanding the Times
- **Zebulun** — Shipman, Commerce, Logistics, Connection
- **Dan** — Eagle, Judgment, Discernment, Vigilance
- **Ephraim** — Ox, Labor, Endurance, Productivity
- **Gad** — Raider, Tactical Defense, Rapid Response
- **Asher** — Bread-Giver, Prosperity, Fostering, Security
- **Naphtali** — Hind, Communication, Eloquence, Persuasion
- **Manasseh** — Seeder, Pioneer, Expansion, Colonization
- **Benjamin** — Wolf, Intensity, Precision, Execution
- **Simeon** — Sword, Discipline, Loyalty, Covenants
- **Reuben** — Waterman, Vision, Foresight

•
The result: a man or woman who knows *exactly* where they fit in the Kingdom.

WHY THIS MATTERS NOW

- **The systems of this age are designed to keep you uncounted.** Atomized men cannot stand against the collapse.
- **Burnout in the Church is a placement problem, not a commitment problem.** A man working outside his tribe will always fail.
- **The remnant must be reconstituted.** The Kingdom is built by 12-fold order, not by a mob of gifted individuals.
- **"He who has no rule over his own spirit is like a city broken down and without walls."**
Your tribe is your wall.

WHAT PASTORS ARE SAYING

"We had men who have been in church for 20 years and never knew what they were made for. This weekend gave them a station and a mission. The shift was immediate."

"The diagnostic tool alone is worth the entire weekend. It cut through years of confusion in 15 minutes."

BULLETIN ANNOUNCEMENT (Copy-Paste Ready)

"Do you know your tribe? God does not call you to be a lone soldier. He calls you to a station within the Body. This weekend, Rabbi Jacob Benzaquen is leading a transformative workshop: Find Your Tribe. You will take a 25-question diagnostic assessment, discover your functional tribe (Judah, Issachar, Zebulun, Dan, etc.), and leave with a clear mission. No more wandering. No more burnout. Come find your place in the King's army."

"And God hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues." — 1 Cor. 12:28

**Your tribe is your station. Your station is your strength. Find it. Stand in it. Build.
Amen.**

ALTERNATIVE
YOU ARE LOST AND YOU KNOW IT.

You have been sitting in pews for years. Serving. Giving. Praying. And still, something is wrong. You feel like a soldier with no unit. A craftsman with no guild. A man built for war who has been assigned to gardening duty.

The Church has given you community. It has not given you your station.

That ends this weekend.

THE PROBLEM:

You were never designed to walk alone. God does not manage a mob. He organizes an army. He counts every man by his standard, by his tribe, by his house.

But the modern Church has turned soldiers into spectators. You have been given a gift but no placement. A burden but no banner. A calling but no company.

You are burning out because you are out of position.

THE SOLUTION:

A weekend that will reorder your life from the ground up.

THE TRIBAL CENSUS WEEKEND *with Rabbi Jacob Benzaquen*

This is not a sermon series. This is a spiritual inventory. A military muster. A reenlistment into the army of the King.

WHAT HAPPENS WHEN YOU HOST THIS WEEKEND:

Friday Night — THE UNCOUNTED MAN The hidden lie the Church has swallowed: that you can walk this road alone. We expose the atomized, disconnected, “me and Jesus” gospel for what it is — a trap designed to keep you ineffective. By the end of this session, your people will feel the weight of their isolation and the fire of their need for tribe.

Saturday Morning — THE DIAGNOSTIC Every single person in the room takes the 25-question Tribal Assessment. No fluff. No guesswork. In 15 minutes, they will know whether they are:

- A **Judah** — born to lead and set the pace
- An **Issachar** — built to understand the times
- A **Zebulun** — wired to connect and supply
- A **Dan** — gifted to discern and judge
- An **Ephraim** — called to labor and endure
- Or one of the 7 other tribes that make up the full body

Result: A room full of people who finally know what they were made for.

Saturday Afternoon — THE PRACTICUM No passive listening. Your people will be broken into tribal groups. They will identify their Provoked Competence — the specific disorder that triggers their call to action. They will leave with a concrete, 7-day mission that uses their tribal gift to serve the body.

Sunday Morning — THE ASSEMBLY We close with the vision of the 12-fold Kingdom operating as one body. The Lion. The Ox. The Eagle. The Man. The Shipman. All in formation.

All under the King. Your congregation will see themselves not as individuals, but as living stones in a temple that is rising.

WHY YOUR PEOPLE WILL BEG YOU TO BOOK THIS:

“I have been a Christian for 30 years. I never knew what I was. Now I do. I finally have a mission.” — Attendee, Florida

“Our men’s ministry was dying. After this weekend, we have a functioning tribe with leaders, laborers, and logistics. It saved our fellowship.” — Pastor, Texas

“The diagnostic tool alone is worth the entire weekend. It cut through years of confusion in 15 minutes.” — Congregation Leader, Pennsylvania

THIS IS FOR YOU IF:

- Your people are faithful but **directionless**
- Your men are **burned out** from doing work they were never built for
- Your congregation is **passive** — they consume but do not deploy
- You sense the Holy Spirit calling for **order, not just activity**
- You want to leave a legacy of **structured, battle-ready disciples**

THE INVITATION:

One weekend. One speaker. One tool that will reorder your entire congregation.

SAMPLE ANNOUNCEMENT — USE THIS IN YOUR BULLETIN OR PULPIT:

“Stop trying to do this alone. God never called you to be a lone soldier. He called you to a tribe. This weekend, we are hosting Rabbi Jacob Benzaquen for a Tribal Census Weekend. You will leave with a clear mission, a brotherhood, and a station in the King’s army. If you are tired of drifting, this is for you. Do not miss it.”

“And God hath set some in the church; first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues.” — 1 Corinthians 12:28
