

Can a Christian Lose Their Salvation Over Israel?

WHY THIS MATTERS NOW

- **Antisemitism is rising faster than at any point since the 1930s.** Your people are watching it happen and don't know how to respond biblically.
- **Replacement theology is being rebranded as “*progressive Christianity*.”** It is a poison that severs believers from their covenantal roots.
- **The digital age has created a new blood libel.** Your congregation needs tools to discern truth from algorithmic outrage, the digital ‘accuser’.
- **The Throne of David is coming.** How the Throne of David is the target that determines the future of all nations.

THE ONE MINORITY THE WORLD LOVES TO HATE

They call it “anti-Zionism.” They call it “justice.” They call it “criticism of Israel.”
God calls it something else.

He calls it a test. A litmus test for the soul of your congregation. The same hatred that cursed Haman, that tormented Jeremiah, that crucified the Messiah — it is back. And it is marching into your church under the banner of “*love for all nations*.” It is ancient. It is spiritual. And it is intensifying.

Your people are confused, fed lies from the Pulpit, Media and the Algorithm.

THE THREE QUESTIONS THAT WILL EXPOSE THE DECEPTION

<u>Question</u>	<u>What the World Says</u>	<u>The Bible Says</u>
Why does the world hate the Chosen People?	Politics, land dispute, colonialism	Deuteronomy 7:6 — Satan hates the vessel of prophecy
Who are the true Israel?	The Church replaced the Jews	Romans 11 — Grafted in, not replaced
Is there a spiritual penalty for cursing the seed of Abraham?	No, it's just politics	Genesis 12:3 — “ <i>I will curse him who curses you</i> ”

THE MYSTERY OF ISRAEL: *REVEALED*

This is not a lecture. This is a rescue operation. Replacement theology is creeping into evangelical circles disguised as “*love for all nations*.”

The time for soft-talking is over. It is time to align your house with the King of Kings.

THE HOOK FOR YOUR BULLETIN / ANNOUNCEMENT

1. "There is a war for the soul of your church. It is being fought over one question: Do the Jewish people still matter to God? The answer determines everything — your salvation, your inheritance, your future. This Saturday, get the truth the mainstream pulpits are too afraid to preach."

Yeshua Christ is Lord. His covenants are irrevocable. His throne is coming. Amen.

2. "Something is happening in the spiritual realm. The world's hatred for the Jewish people is intensifying, and the Church is being tested. This weekend, we are hosting Rabbi Jacob Benzaquen for a Speaker/Scholar in Residence series that will answer the questions your heart has been asking:

*Why does the world hate Israel?

*Can I lose my salvation over antisemitism?

*What does the Bible really say about the end times?

Do not miss this. It will change how you read Scripture forever."

"For the zeal of the Lord of hosts will perform this." — Isaiah 9:7

"There is a war going on—not just for territory, but for the definition of truth itself. Right now, the world is obsessed with the one minority God chose to carry His Prophecies. Why? Because the adversary knows that salvation is of the Jews, and he knows that the throne of David is a physical reality that will soon replace his own.

This weekend [or upcoming date], I am presenting a special workshop: The One Minority the World Loves to Hate. We are going to look past the headlines and the hate-speech of the digital age to find the real, biblical prophecy surrounding the Jewish people. If you want to understand why the world is turning upside down, and where you fit into God's family plan, you need to be there. Join us as we stand on the truth of Yeshua Christ, King of Kings."

Yeshua Christ is King. His covenants are irrevocable. His throne is coming. Amen.

A special presentation for believers who are tired of the confusion.

We are stripping away the modern layers of deceit and looking at hard, scriptural reality:

HATE & ENDTIMES

- Why Satan holds a specific, violent-level hatred for the seed of Judah.
- How the Throne of David is the target that determines the future of all nations.
- Why “replacement theology” is an abomination, *Toevah* to the Father’s covenant.
