## Why Us?

As a certified fitter my goal for each client is:

- Comfort
- Function
- Fit

## *All Styles of Bras Do Not Fit the Same*

Every woman is shaped differently and so are bras!

All "34D's" are not the same!

Therefore, it takes knowing a woman's shape and a bras design...

Knowing this allows us to find the Right Fit of each Bra!

*Ask how to be a Hostess!*
