## **Monthly Payment Options (with saving)**

To split the cost of lessons, we have offered monthly payment plans since 2016. The following options are available:

18 x 45 minute lessons per year = £62.50 pcm  
18 x 60 minute lessons per year = £81.25 pcm  
18 x 90 minute lessons per year = £121.87 pcm

Regular lessons are offered weekly or fortnightly, with some clients mixing in person and online sessions to suit less travelling. You can also combine shorter lessons into double lessons if and when required for recording or other purposes. For example, you have 45 minute lessons booked but we can lengthen this to 60 or 90 minutes (with planning) in the run up to an important audition, exam or performance if required.
