Precision in the Science. Integrity in the Storm.

Chemical & Hazard Communication
ISO Systems & Food Safety Implementation
SHEQ Consulting & Outsourced Support
Environmental & ESG Support
Legal Compliance Training
QCTO Accredited Training

MARKETS WE SERVE

- Chemical manufacturers, blenders and importers.
- Distributors and warehousing operations
- Automotive, coatings & industrial sectors
- Agrochemical formulators
- SMEs lacking internal SHEQ/ISO resources
- Food manufacturers requiring HACCP/ISO 22000

Valiant Compliance Solutions (Pty) Ltd is an OHS training provider, specialised SHEQ, chemical safety, ISO systems, and food safety consultancy serving the SA industrial, chemical, manufacturing, and food production sectors. Founded by Lee O'Reilly, the company delivers advanced regulatory compliance solutions grounded in scientific accuracy, legislative alignment, and practical operational implementation.

WHAT WE OFFER

We operate as a boutique high-specialization consultancy, offering clients a full compliance ecosystem that blends:

- Legal compliance & ISO Awareness training
- QCTO accredited skills programme training.
- Chemical regulatory expertise (GHS/SANS 10234 SDS authoring, hazard classification).
- Integrated ISO system implementation (ISO 9001, ISO 14001, ISO 45001, HACCP, ISO 22000).
- Systems auditing.
- Outsourced SHEQ management for SMEs and scale-driven organisations.

This unique intersection positions Valiant Compliance Solutions as one of the few organisations in South Africa capable of supporting compliance from **Train - Implement - Comply - Maintain**.
