# Special Purpose Glass Film

# Control Display

Our smart control display gives you a single touchpoint to manage lights, curtains, climate, and security. – all from one elegant interface available in Linux or Android...

# Security Systems

Stay protected with smart intrusion alarm and security solutions. Equipped with various detection sensors. Instant alerts and access controllers safeguard your home, office or warehouse from unauthorized entry and theft, ensuring safety and peace of mind 24/7.

# Video Door Phone

## Main Features

**Display:** 7" LCD

**Operating System:** Linux / Android

**Video Output:** HD (1280 X 720)

**Colour:** Black / Gray / Silver

**Camera:** 2 MP

**Camera Angle:** 90° (Horizontal)

**Night Backlight:** 6 LEDs

**Protection:** IP64

**Working Temp:** -40 to +65 °C

**Unlock Button For Easy Access**

# Access Control

## Main Features

**Panel type:** Multi-apartment

**Display:** 4.3 Inch, colour.

**Output video:** 1080p (1920×1080)

**Resolution:** 2.0 MP

**Camera angle:** 110° (horizontal)

**Night backlight:** 6 LEDs

**Protection class:** IP65

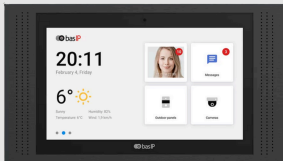

**Working temperature:** -40 to +65 °C

**Number of ringtones:** 4 polyphonic ringtones

**Keyboard:** Mechanical buttons with backlight

**Lock opening:**

- By means of a monitor
- Face Recognition Identification
- By QR code
- By guest link
- By Pin
- By access card
- By vehicle plates

# Intercom

## Main Features

- Cordless, Coded, Wireless Options
- Multi Colour Option Available
- Features - Phone Book Memory, Redial, Speed Dial, Auto Answer, Mute Function, Speaker

# RO & DM Water Systems

"Water is the most essential element for life and industry, It's purity defines the quality of every process. Our RO & DM Water Systems are designed to deliver high-purity water that meets the critical demands of modern applications."

## Why Choose Our Systems..?

- High Purity & Reliability
- Easy Operation & Low Maintenance
- Customized Solutions for Every Industry
- Trusted Performance with Latest Technology

## Systems Application

- Pharmaceuticals & Healthcare
- Laboratories & R&D Centres
- Food & Beverage Industry
- Power Plants & Boilers

# Heat Pump & Pressure Boosting Pump

## Advantages

- Low Noise
- Customization
- After Sales Services
- Energy Saving Up To 75%
- Very Low Maintenance
- Best In Class Technology
- Can Provide Hot Water Up To 90°
- Low installation Cost
- Value For Money

## Application

- Bungalows & Villas
- Restaurants & Canteen
- Resident
- Office & Hotels
- Hospitals
- Hostels
- Laundry
- Food Industries
- Other Industries
