Handcrafted Terrazzo and Resin Furnishings

Stone Theory Studio

Stone Theory Studio is dedicated to crafting exquisite, one-of-a-kind furniture pieces that seamlessly blend the rich heritage of Indonesian craftsmanship with cutting-edge modern design. Our skilled artisans meticulously handcraft each piece, using high-quality terrazzo and resin, to create stunning bathtubs, sinks, tables, and décor that are as durable as they are beautiful. We take pride in our commitment to sustainability, ensuring that each creation not only enhances your space but also respects the environment. At Stone Theory Studio, every piece tells a story of texture, color, and artistry, transforming ordinary living spaces into extraordinary sanctuaries. Whether you're seeking a statement piece for your home or a custom design to fulfill your project's vision, we promise authentic craftsmanship and customizable luxury that elevates everyday living.
