Martin Luther King Jr. Parade

The High Point 22nd Annual Martin Luther King Jr. Parade was Sunday, January 19, 2025. An event to honor and remember Dr. Martin Luther King Jr.

The Parade consisted of Marching Bands, step and dance teams, civic organizations, fraternities/sororities, faith groups, businesses and more. Included in this group of prominent organizations was the brothers of Toussaint Louverture #524.

The weather was challenging but there is not a challenge too big for the brothers. We had in attendance 11 brothers from Toussaint Louverture, 4 guest including District Deputy Grand Master Rodney Baldwin.

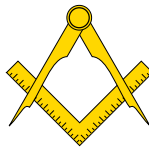

The Parade was Downtown High Point and the parade route began at High Street and South Main and ended at North Main Street and Qubein Avenue.
