WORSHIPFUL MASTERS OF THE 21 DISTRICT 2025

QUOTE CORNER

Toussaint Louverture, a Haitian general and leader of the Haitian Revolution, is famous for saying, "By overthrowing me, you have only defeated the trunk of the tree of freedom; it will grow back because its roots are deep, numerous, and vivacious". He said this near the end of his life, arguing that Haiti would gain independence even after his death.

MARCH BIRTHDAYS
