

Toussaint Louverture Lodge #524 Website

The official launch date for our Lodge Website was March 13, 2025 and it is welcome to the public. Our website URL name is toussaintlouverture524.org. The information included in our site is a brief history of the Lodge, introduction to Prince Hall and Toussaint L'Ouverture. Our Lodge's mission statement from the Worshipful Master, information on how to join and contact information is included. Events such as the upcoming John Coltrane Golf Tournament are listed. Future plans for the site will include a list of our Past Masters and the years they have served also to acknowledge members that are a part of the Grand Lodge of North Carolina. We have ideas to add pictures of our contributions to the community and community events. We will also include information on how the lodge can be rented for event space and add a payment platform for donations.

The website is still in the early stages of development and any feedback and input from members is welcome. On behalf of the Lodge we want to give a special thanks of appreciation to Senior Deacon, Darrin Douglas for spearheading this project.
