2025 SPRING FISH FRY COMMUNITY EVENT

Fish Fry Fundraiser

May 17 was the day we celebrated our Fish fry community event/Fundraiser. There were lots of laughs and good fellowship shared throughout the day. The weather started out a little challenging but turned out to be a perfect day. The event served as two purposes, it gave us a chance to welcome the community to our lodge and also a great source for raising funds for future community events and donations. Special thanks to all the brothers and sisters that came out to make this event a success.
