Sister Latasha Blackwell represented White Rose Chapter 157 in the District Queen Competition. She completed the competition and finished as the 1st runner up. Great accomplishment! She became a member of White Rose Chapter 157, Order of the Eastern Star in August 2021 and currently serves in the role of Associate Conductress. Since becoming a member, she has learned much from the Sisters of White Rose that have added value to her life. Sister Blackwell is so grateful for the lessons, and Sisterhood that has been established.

—Worthy Matron Tijuana Green
