Head of House Holiday Gathering

December 19 the Head of Houses Council hosted the Holiday Gathering. There was lots of Fellowship, food, fun and games. This event also hosted the Raffle for the Wagons Full of Toys and Baby Supplies. This was one of the Fundraisers that will go towards the Gala planned for later in the year.

HOLIDAY CHRISTMAS PARTY

Visitation from Florence Memorial Lodge #719

We had visitation from Florence Memorial Lodge #719 during our December meeting on December 11. This was the same night that we had our Holiday Fellowship Dinner. Although Florence gained the Traveling Gavel during their visit it turned out to be a good night for Masonry. The Traveling Gavel has served its purpose which is to increase travel among lodges in our district and to promote brotherly love and fellowship.

In the event of Toussaint losing the Gavel it gave us another purpose to travel in 2026. We will get it back!
