## **TRAVELING GAVEL**

Good Fellowship, Hospitality and Brotherly Love and Affection. We traveled to Invincible Lodge in Greensboro where C.W. Lawrence Lodge #837 and Worshipful Master Kenny Jones are temporarily occupying while their lodge is being reconstructed. It was also the home of the **Traveling Gavel**, which is now home to Toussaint L'Ouverture Lodge #524. I really appreciate my Traveling Brothers, 14 Brothers from Toussaint traveled in Brotherly Love to claim the Traveling Gavel!

We celebrated our Annual Toussaint Louverture PHA-Amily Trunk-Or-Treat hosted by the Head of House Council on Saturday, October 25. There were several children that were in attendance. "Trunk or treat" is a Halloween event where decorated cars are parked in a lot, and children go from one vehicle's trunk to another to collect candy. It's often seen as a safer, more organized alternative to traditional trick-or-treating, especially in neighborhoods with limited walkability. Awesome job to the coordinators for spearheading such a great community event.
