

## SPOTLIGHT ON: SCHOOL OF ROCK

Production season is in full swing for Castwell & Company's first ever full-scale, multigenerational musical: Andrew Lloyd Webber's **SCHOOL OF ROCK!** Our phenomenal performance and production teams have been working hard, learning lots, and getting to know each other better. **FUN FACT:** did you know there will be **TWO FULL BANDS** playing live during this show?? We are having an absolute blast creating **SCHOOL OF ROCK** together and can't wait to share it with our community!

There are still opportunities to join some of the supporting teams for this show. We are looking for front of house and bar service volunteers, and one more spotlight operator. Please reach out if you would like to hang out at the Theatre with us!

**SCHOOL OF ROCK** can be enjoyed at **Biggar's Majestic Theatre** **May 20, 22, 23, 29, 30, 31, 2026.** Tickets on sale April 6.

### Ongoing Opportunities

**Improv Development** is a biweekly Sunday evening event for learning the basics of improv together in a supportive space. No previous experience necessary. This free program is open to participants **ages 15+**.
