

MR HAMILTON (CONT'D)
Or why I'll pay for an Ivy League
College? So you can have any career
you choose.

FREDDY
I choose or you choose?

MR HAMILTON
Pick up that hammer and get to some
real work.

BILLY SANDFORD is reading a copy
of Sports Illustrated.

MR SANDFORD
What are you reading?

BILLY
Sports Illustrated.

Not convinced, Mr Sandford grabs
the magazine finding a copy of
Vogue hidden underneath.

BILLY (CONT'D)
Vogue. I'm going to go to my room.

MR SANDFORD
No you're not! You're going to stay
and watch the game!

BILLY
Do I have to?

MR SANDFORD
Yes! You're my son, Goddammit!
You're a Sandford! My dad played
football, I played football, and
you're gonna play football, too.
It's a legacy, Billy. Now sit down
and watch the game.

Billy sits. The light fades up on
Tomika with her two fathers.

TOMIKA
But I don't fit in, I miss my old
school.

MR SPENCER
But we love your new school!
