ATLANTIC LIGHT TEMPLE:

The Atlantic Light Temple – Atlantis

In Atlantis there were many Light Temples, each one of them held a certain energy level this was in order so that they would help the people to take the next step themselves. The Atlantic Light Temple Energy will help you in healing and will help to develop yourself much further and it will also help to remove old blockages gently. This system is helping to revive the ancient energies from Atlantis these came from the Atlantic Ocean.

ATLANTIS HEALING SYSTEM:

THE ATLANTIAN & GAIA TRILOGY ATTUNEMENTS PART 1.

THE ATLANTIAN CRYSTAL ACTIVATION IS THE FIRST LEVEL.

PART 2 OF THE TRILOGY. CRYSTAL SKULLS

PART 3 OF THE TRILOGY. THE ELEMENTAL EARTH STAR EMPOWERMENT.

The Atlantean Crystal Activation is the 1st in a Trilogy of Systems created by Jay Burrell to bring a new energy from Atlantis and Mother Earth (Gaia). This activation will bring the knowledge and the energy that was and is still stored into the main Atlantean Crystal this is kept in the Great Poseidon Healing Temple in Atlantis. This Empowerment will also activate the lost strands of DNA within you. You will have a Etheric Atlantean Crystal placed permanently above your Crown Chakra this will connect you to its energies permanently.

Once you are activated to this crystal it is recommended that you activate the crystal at least once a day this can be during meditation.

The Crystal Skull Activation is the 2nd in this system the crystal skull is a stone carving in the shape of a human skull. Some are pure quartz crystals and some are of other types of stone found in abundance in the Earth.

These crystal skulls have been endowed with magical powers such as the spontaneous production of holographic images, Ancient knowledge and wisdom and much more. The Crystal Skull can also help you in Astral projection, you will be able to visit other dimensions and worlds.

The Crystal Skull that you will receive will always be with you and is placed above your crown Chakra into your 8th Chakra (Transpersonal Point-Soul Star Chakra), this is above the Atlantean Crystal. The Atlantean Crystal is placed at your 7th Chakra. Once you have been activated to the Crystal Skull and had it placed into your 8th Chakra this will help with psychic abilities that you may have.

The Elemental Earth Star Empowerment this is the 3rd and final Attunement in the Atlantean and Gaia

Trilogy of energy systems.

The pre-requisites for receiving this Empowerment are the Atlantean Crystal Activation and the Crystal Skull activation. With this Empowerment you are connected to higher bands of Energy as well as the higher aspect of yourself (your Higher Self)

You will need to draw on the energies of mother earth (Gaia) to help to ground yourself and you will be able to tap into unlimited energies that Mother Earth has to offer to cleanse and

clear all levels of your being to become whole

13 CRYSTAL SKULLS ATTUNEMENT

This is a system which will help you to align and be attune you to the 13 Crystal Skulls energy.

The 13 Crystal Skulls energy is a powerful but pure Divine energy. During this attunement you may feel strange, you may hear or smell something this is natural. This is a normal reaction so don't be afraid when you accept this attunement. Sometime some people don't feel anything, but the energy is still there, and you have been attuned to the 13 Crystal Skulls.

The 13 Crystal Skulls help to clear negative energies in yourself and the environment, it will also increase and strengthen any healing abilities and energies you have. This attunement will also help to activate your 3rd Eye Chakra and will also strengthen psychic abilities.
