### **LEMURIAN ANGELS**

Lemuria was an ancient civilization which existed previous to and during the time of Atlantis. Physically, it is believed that Lemuria existed largely in the Southern Pacific, between North America and Asia/Australia. Lemuria is also sometimes referred to as Mu, or the Motherland (of Mu). At its climax of civilization, the Lemurian people were both highly evolved and spiritual.

This was a culture that existed in the area that is now the Pacific Ocean. It was a tropical, femininely based, village society. It had central places where there were groups of clairvoyant seers, oracles and holy people did healing and sound work. This was a nonpower oriented society.

### **LEMURAIN CRYSTAL BAND OF LIGHT**

The Lemurian crystal band of light is an electromagnetic force field of crystal energy light that surrounds planet earth. The crystal band of light emanates a high energy love

force that holds the power of creation. The crystal band of light holds inside it the high vibration of unconditional pure love, harmony, unity and peace. The Councils of Light allowed the

Lemurians, before the Land of Lemuria sank in the ocean to create a crystal band of light that was placed around planet earth to assist Gaya and humanity when the time for ascension comes. Its intention is to raise the vibrations of humanity and help them transition into higher dimensions of light and consciousness of love, harmony, and peace to create the golden age on Gaia. Humanity doesn't have to remember how to activate the Lemurian Crystal Band of Light, but attune and align with the energies of the light energy field.

### **LEMURIAN INDIGO CONNECTIONS**

From the Founder: I work regularly with a number of light beings but in particular with Lemurians and Avalonians. Through my work with these beings I have received inspiration and insight and have channelled the Indigo Connection.

The Lemurian Indigo Connections attunement was received during a Lemurian ritual meditation while in communication with the Lemurian Goddess, Amara. Amara is a goddess of the sea, fertility, abundance, love and nurturing. The sea represents prosperity, birth, rebirth and the goddess Amara is a powerful guiding force for those drawn to Lemuria in their spiritual development and growth.

The symbols and mantras of the Lemurian Indigo Connections serve to assist the Indigo/Lightworker in their work; building their confidence, re-establishing their spiritual connection and bringing them the comfort of the spiritual home and that they long for.

### **LEMURIAN CODEX MODALITY**

To begin to understand what the Lemurian Codex is, it is best to start with the definition of the title "Codex ~ Lemurian". Codex is defined as an ancient manuscript of specialized collective knowledge. The "~" or tilde symbol is defined as "inscribed from above". Lemurian is the resonant be-ing(s) of infinite light.

So, the "Codex ~ Lemurian" is an ancient encyclopedia from a higher dimension of understanding and being composed of resonant light frequencies both visible and beyond.

The Lemurian Codex is made up of six codices, and each codec contains volumes of resonant information.

The Six Codices are in a very specialized format. They are best described as LemurianHyper-Special Resonant-Scalar Light-Encoded Holo-Dynamic Imagery.

Each Codec unfolds into a dynamic multi-dimensional image that resonates and penetrates to your deepest levels. Both holographic and fractal in composition, the imagery .triggers a resonant response of awakening and understanding.
