

Cookies

Our company under certain circumstances, may collect non-identifiable information from visits to our Web sites to help us provide better customer service. For example, we keep track of the domains from which people visit, and we also measure visitor activity on our company Web sites, but we do so in ways that keep the information non-identifiable. This information is sometimes known as "clickstream data." Muhammadar-rahman Consultancy Pvt. Ltd. or others on our company's behalf may use this data to analyze trends and statistics and to help us provide better customer service.

Also, when we collect personal data from you in a transaction, we may extract some information about that transaction in a non-identifiable format and combine it with other non-identifiable information such as clickstream data. This information is used and analysed only at an aggregate level to help us understand trends and patterns. This information is not reviewed at an individual level. If you do not want your transaction details used in this manner you may have an option to disable your cookies, however our company doesn't own any responsibilities.

We collect the information we mentioned in the previous paragraphs through the use of various technologies, including one called "cookies". A cookie is a piece of data that a Web site can send to your browser, which may then be stored on your computer as an anonymous tag that identifies your computer but not you. Few of our company pages use cookies, sent by our company or its third party vendors, or other technologies to better serve you when you return to the Web site. You can set your browser to notify you before you receive a cookie, giving you the chance to decide whether to accept it. You can also set your browser to turn off cookies. If you do so, however, some Web sites may not work properly.

If you turn off cookies, Web beacon and other technologies will still detect visits to these pages, but the notices they generate cannot be associated with other non-identifiable cookie information.
