

Clown

Song by Emeli Sandé · 2012

I guess it's funnier from _____ (3 - 4 words)

'Cause from over here I _____ (3 words)

Clear the way for my _____ (2 words)

I've done it again

Another _____ for your notes

I'd be smiling if I wasn't so _____

I'd be _____ if I had the time

I could stop and answer all of your _____

As soon as I find out how I can move from the _____ (4 words)

I'll be your clown

Behind _____ (2 words)

Go 'head and _____

'Cause it's _____

I would too

If _____ (3 words)

I'll be your clown

On your _____ (2 words)

My life's a circus, circus

Round in _____

I'm _____ (2 words) tonight

I'd be less _____ if it was my _____

And the _____ was just _____ (2 words)

If I had more than my _____

I'll have time for, " _____ "

I'll have time for, " _____ " (2 words) as soon as I win

I'll be your clown

Behind the glass

Go 'head and _____

'Cause it's _____

I would too

If _____ (3 words)

I'll be your clown

On your _____ (2 words)

My life's a circus, circus

Round in _____

I'm _____ (2 words) tonight

From a distance my _____ is simple

From a distance I can _____

So you can see me

I put _____ on my face

But there's no way you can feel it

From _____ (3 words)

I'll be your clown

Behind _____ (2 words)

Go 'head and _____

'Cause it's _____

I would too

If _____ (3 words)

I'll be your clown

On your _____ (2 words)

My life's a circus, circus

Round in _____

I'm _____ (2 words) tonight

After listening to the song twice to complete the above blanks in lyrics, you could proceed to the following tasks:

Articulate in two to three sentences your interpretation of the subtext meaning of the lyrics

What is the potential occupation of the first-person character narrated in the lyric?
(clown is not allowed as the answer)

What is the frustration and/ or fulfilment of this person?
