 - https://en.wikipedia.org/wiki/Bridge_over_Troubled_Water

- H** High pitch
- M** Mid-range pitch
- L** Low pitch

Opening rap:

Yeah, I don't know where to begin,
so I'll start by saying I refuse to forget you.
I refuse to be silenced.
I refuse to neglect you.

That's for every last soul up in Grenfell,
even though I've never even met you.
Cuz that could've been my mum's house,
or that could've been my nephew.
Now, that could've been me up there,
waving my white plain tee up there,
with my friends on the ground trying to see up there.
I just hope that you rest and you're free up there.
I can't feel your pain but it's still what it is.
Went to the block just to chill with the kids.
Troubled waters come running past,
I must be right there just to build you a bridge.

- L** *When you're weary*
- L** *And feeling small*
- H** *When tears are in*
- H** *Your eyes*
- M** *I will dry them all*
- L** *I'm on your side*

- H** *Oh, when times get rough*
- M** *And friends just can't be found*
- M** *Like a bridge over troubled water*
- L** *I will lay me down*
- H** *Like a bridge over troubled water*
- L** *I will lay me down*

Bridging rap:

So much pain in my heart, My community's moving me.
Choose to gleam as we're facing the dark.

- H** *Oh, when you're down and out*
- H** *When you're on the street*
- L** *When evening falls so hard*
- M** *I will comfort you*
- L** *Yes, I will*
- M** *And I'll take your part*
- M** *Oh when darkness comes*
- H** *And pain is all around*
- M** *Like a bridge over troubled water*
- H** *I will lay, I will lay me down*
- M** *Like a bridge over troubled water*
- H** *I will lay me down*
