Note: I operate a multi-age childcare program licensed to care for up to 8 children ranging from 0 to 12 years old. My primary focus is on children aged 0 to 5 years.

The regulations for my program allow:

- A maximum of 3 children under the age of 3.
- Of those 3 children, only 1 may be under 1 year old.

How I Plan Enrollment:

- **Red Category:** Reserved for children under 1 year old.
- **Yellow Category:** Reserved for children between 1 and 3 years old.
- **Green Category:** Reserved for children aged 3 to 5 years old.

Flexible Placement Rules:

- The Red Category can accommodate children aged 0 to 5 years old.
 - The Yellow Category can accommodate children aged 1 to 5 years old.
 - The Green Category is exclusively for children aged 3 to 5 years old.
 - Children aged 0 to 1 year must be placed in the Red Category only.
 - Children aged 1 to 3 years can be placed in either the Red or Yellow Category.
 - Children aged 3 to 5 years can be placed in any of the three categories.
