

Exposure Notice

Dear Parents/Guardians,

We want to inform you that at Fern Flower - Nature School, our utmost priority is the health, safety, and well-being of your child. We have always been committed to maintaining a clean and safe environment for all children under our care. We wish to communicate openly and transparently with you regarding a potential exposure incident.

On [Date], we were made aware of a possible exposure to [Specific Health Concern, e.g., COVID-19, Stomach Bug] within our daycare facility. While we understand that this may cause concern, please be assured that we are taking every necessary step to address this situation responsibly and in accordance with local health guidelines.

Steps Taken:

- Notification: We immediately notified the local health authorities to report the potential exposure and seek guidance.
- Isolation and Testing: We have identified the individuals who may have been in close contact with the affected child or staff member. These individuals are being asked to self-isolate and undergo testing as recommended by health authorities.
- Enhanced Cleaning and Sanitization: Our daycare facility is undergoing thorough cleaning and disinfection as a precautionary measure.
- Health Monitoring: We will closely monitor the health of all children and staff members, and we will maintain open lines of communication with any affected families.

Recommendations for Parents/Guardians:

- Observation: Please monitor your child for any symptoms related to [Specific Health Concern]. Common symptoms may include [List Symptoms]. If you notice any of these symptoms, we recommend contacting your healthcare provider.
- Testing: If your child or any family member who visited the daycare facility develops symptoms or tests positive for [Specific Health Concern], please inform us immediately. This information will help us take appropriate actions and notify other families.
- Preventive Measures: We encourage everyone to continue practicing good hygiene and follow safety measures such as handwashing, mask-wearing, and maintaining physical distancing, especially if you or your child have had potential exposure.
