Heartfelt Thanks for Your Participation in the Nature School Clothing Swap Event!

Dear Nature School Parents and Caregivers,

We extend our warmest appreciation to each one of you for your enthusiastic participation in the recent Clothing Swap Event at Fern Flower - Nature School. Your contributions and active involvement made the event a tremendous success, creating a sense of community spirit and sustainability.

Thank you for bringing your items to swap, contributing to the variety and diversity of choices available. It was heartening to witness the joy and excitement as participants found new treasures and refreshed their wardrobes. We hope you discovered wonderful additions to your closets that bring joy and style to your everyday lives.

As part of our commitment to sustainability and community outreach, we are pleased to inform you that all extra items left after the swap will be donated to LILLI HOUSE, which is sponsored by the Comox Valley Transition Society. LILLI HOUSE provides essential support for women and children who are fleeing abusive situations. Your generosity goes beyond the immediate benefits of the swap, making a positive impact on the lives of those in need.

Your participation in the Clothing Swap Event not only exemplifies the principles of reuse and community support but also aligns with our shared values at Nature School. We are grateful for your commitment to sustainable practices and your dedication to making a positive difference in the lives of others.

Once again, thank you for being an integral part of the Clothing Swap Event. Your active involvement contributes to the vibrancy and strength of our Nature School community. We look forward to more collaborative initiatives that promote sustainability, community engagement, and positive change.

Warm regards,

Lera Lucas

Director, Manager and ECE
