

Monthly Recycling Fundraiser

At Fern Flower – Nature School, we're on a mission to make a positive impact on our environment while creating a fun and safe space for our little ones.

Location: 3827 Charlton Dr, Qualicum Beach, BC V9K1Z3

Date: Last Day of Every Month

How It Works: Gather your recyclables (glass bottles, jars, cans, containers from milk, etc.) and drop it off at a designated area at the Nature School.

Drop off your recyclables so the money can go towards our play space or next project.

Why Recycle With Us? Not only are you helping the environment, but you're also contributing to a safer and more enjoyable play space for our little ones. Your generous donations go a long way in making their playtime extra special!

Spread the Word! Tell your friends, family, and neighbors! Let's come together to make a difference. The more recyclables, the merrier!

Every Small Action Matters!

Questions? Please, visit <https://recyclebc.ca/> for more information on what you can recycle.
