Join Us for a Green and Blooming Adventure!

At Fern Flower – Nature School, we believe in the power of nature to inspire and educate. Our Plants and Seeds Sale Fundraiser is a step toward a greener, more connected future.

Plant Starters: Choose from a variety of plant starters and seeds, perfect for your garden or indoor space.

Gardening with Kids: Engage with our young gardeners as they share their love for growing plants and exploring nature.

Support Nature Education: All proceeds go directly toward enhancing nature-based education for our children.

Support Local Business: All plans and seeds come from Lighthouse Feed & Garden located in Bowser.

How does it work: You go threw our catalog and write down on a slip what would you like to purchase and Fern Flower – Nature School will deliver it to Nature School so you can pick it up at your own convenience.
