

## Rainy Weather Reminder

Dear Parents and Guardians,

At Fern Flower - Nature School, we wholeheartedly embrace rainy days and the many outdoor learning opportunities they offer. To keep your child cozy, dry, and ready to explore, please ensure they are dressed in appropriate clothing:

**Waterproof Jacket:** Provide your child with a waterproof, hooded jacket to keep them dry during light rain or drizzle.

**Rain Pants:** Waterproof pants are essential to protect against wet and muddy conditions. Make sure they are comfortable and easy to move in.

**Waterproof Footwear:** Invest in rain boots or waterproof shoes for your child to keep their feet dry and comfortable. Double-check that the footwear is properly waterproofed.

**Rain Hat:** A wide-brimmed rain hat or a hood can help keep raindrops off your child's face.

**Layering:** Layer clothing underneath to ensure warmth. A moisture-wicking base layer can keep your child dry while insulating layers provide warmth.

**Extra Clothing:** Pack an extra set of dry clothes, including socks, shoes, and underwear, in case your child gets extra muddy or wet during play.

**Label Everything:** To prevent mix-ups, please label your child's rainy-day clothing with their name. This helps ensure that their gear stays with them.

**Hydration:** Encourage your child to stay hydrated by packing a refillable water bottle.

Thank you for your support in helping us provide a dry and enjoyable learning experience, no matter the weather. If you have any questions or need further guidance on rainy-day clothing, please don't hesitate to ask.

We look forward to exploring the wonders of the forest with your child at Fern Flower - Nature School, rain or shine!

Stay Dry and Have Fun Exploring!
