

Schedule Your Nature School Tour

Dear [Parent's Name],

We are excited that your child's enrollment date is approaching, and we would like to invite you to schedule a tour of Fern Flower - Nature School. This is an important step in familiarizing yourself with our program and ensuring a smooth transition for your family.

Please note that we do not conduct tours during our regular Nature School operating hours. This policy allows us to provide exclusive, high-quality care to currently enrolled children while also respecting their privacy.

We encourage you to bring your family, including your little ones, to the tour. To prepare, we recommend reviewing our Parent Handbook beforehand. This resource will give you a comprehensive understanding of how we operate and what to expect from our program. Be sure to bring along any questions you may have, as we aim to address all your concerns during the visit.

Additionally, this tour serves a dual purpose as both an informational childcare tour and a mutual interview. While you will have the opportunity to ask any questions, our educators will also ask some basic questions to ensure that our program aligns well with your family's needs and expectations.

Please let us know your availability so we can schedule a convenient time for your visit. We look forward to meeting you and your family and showing you what makes our Nature School special.

Best regards,

Lera Lucas
Director, Manager and ECE
