

Snow Weather Reminder

Dear Parents and Guardians,

At Fern Flower – Nature School, we embrace the beauty of the winter season and love exploring the great outdoors. To ensure your child's comfort and safety during our winter adventures, please remember to dress them in appropriate clothing:

Warm Layers: Dress your child in several layers of clothing to trap warmth. Consider thermal or woolen base layers, a cozy sweater, and a water-resistant winter jacket.

Insulated Pants: Ensure your child wears insulated, water-resistant pants to keep them dry and warm during snowy and wet conditions.

Warm Footwear: Provide your child with warm, insulated boots. Double-check that boots are waterproof to keep feet dry and toasty.

Hat and Gloves: A warm hat and insulated gloves are essential for protecting your child's head and hands from the cold.

Scarf and Neck Warmer: A scarf or neck warmer adds extra warmth and helps protect against chilly winds.

Extra Socks: Pack an extra pair of warm socks for your child in case they get wet during outdoor play.

Snow Gear: If snow is in the forecast, don't forget snow pants, snow boots, and a sled for snowy fun!

Label Everything: To prevent mix-ups, please label your child's winter clothing with their name, ensuring their gear stays with them.

Hydration: Encourage your child to stay hydrated by packing a refillable water bottle.

Thank you for your cooperation in helping us provide a cozy and enjoyable winter learning experience. If you have any questions or need further guidance on winter clothing, please don't hesitate to ask.

We look forward to sharing the wonders of winter with your child at Fern Flower – Nature School.

Stay Warm and Have Fun Exploring!
