

Mahesh Chauhan

MS D365 Business Central Functional Consultant

Mahesh@businesscentral-dynamics.com | +91 8169786017

I am a highly dedicated and results-driven **Business Central Functional Consultant** with over **11 years of hands-on experience** in implementing, configuring, and supporting **Microsoft Dynamics 365 Business Central** and **NAV**. I possess a deep expertise in managing the full project lifecycle, from **requirements gathering** and **system setup** to **integration, testing, and user training**.

Professional Skill

- **Microsoft Dynamics 365 Business Central:** Deep understanding of Business Central functionalities, modules, and configuration.
- **ERP Implementation:** Experience in full-cycle ERP implementations, including project scoping, requirement gathering, system configuration, testing, training, and post-go-live support.
- **Financial Management:** Knowledge of financial modules, including general ledger, accounts payable/receivable, bank reconciliation, and financial reporting.
- **Supply Chain & Inventory Management:** Expertise in inventory, procurement, sales, and distribution processes.
- **Manufacturing:** Understanding of production processes, including bills of materials (BOM), production orders, and shop floor management.
- **Project Management:** Ability to manage project timelines, resources, and client expectations
