# CHILTERN HILLS CHARITY TREK

Walk for Clean Water. Walk to End Polio.

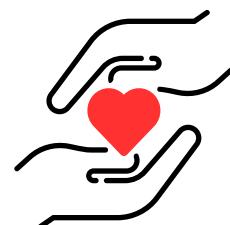

## THE CHALLENGE

- One-day guided trek
- Chiltern Hills
- Moderate difficulty – suitable for most fitness levels
- Fully supported with professional guides
- Guide ratio: 1 guide per 12 participants

**THE CAUSE:** Funds raised will be used to install water filtration plants in villages in Pakistan, helping to:

- Provide safe, clean drinking water
- Reduce waterborne diseases
- Support the eradication of polio
- Improve long-term community health

**YOUR IMPACT:** Just £500 can help provide clean water to an entire village.

Together, we can:

- Protect children from preventable disease
- Improve education and wellbeing
- Support Rotary's global mission to End Polio Now
