# What Legislation is credited with protecting individuals with disabilities?

LB Lynee Bennett

“ I wish for a world that views disability, mental or physical, not as a hindrance but as unique attributes that can be seen as powerful assets if given the right opportunities.

Oliver Sacks

### Exercise

In an article published by the Mayo Clinic, [Exercise and stress: Get moving to manage stress](#). Exercise virtually any form from aerobics to yoga, can reduce stress. It doesn't just affect your body, it affects your brain, too. How, it pumps-up your brain's endorphins, for example, if you run, you might experience what's called, a runner's high. Daily exercising can impact your focus and mood.
