

Quick Overview of

Erdnetz Studio

Erdnetz Studio is a purpose-driven platform that helps businesses transition towards sustainability. We provide strategic consulting, digital tools, and expert guidance to embed responsible practices into operations, with a focus on sustainable travel, hospitality, and the circular economy.

Our Commitment to Sustainability:

The SME Climate Commitment

Pledging to halve emissions before 2030, achieve net-zero by 2050, and disclose progress annually as part of the UN's Race to Zero campaign.

The SME Climate Ambition Drive

Supporting the mobilization of 10,000 SMEs towards net-zero, providing resources, and driving climate action within business networks.

How we help:

Sustainable Business Consulting

Tailored strategies to integrate sustainability into business models and operations.

Green Operations & Digital Tools

Data-driven insights and reporting to track and reduce environmental impact.

Responsible Tourism & Community Strategies

Helping businesses adopt ethical tourism practices and engage responsible travelers.

Sustainable Branding & Digital Storytelling

Crafting impactful narratives that align with sustainability values.

Net Zero Guidance

Assisting businesses in reducing their carbon footprint and achieving climate goals.
