**There is no guarantee that FEMA will perform an on-site assessment.* FEMA now requires coordinate location data, damage imagery, and other category-specific documentation listed in the tables above for EVERY location of damage. Column descriptions:

Location: add the location (or location number based on the order of coordinates/addresses reported).

Type: Type of damage/emergency response. Common examples by category include but are not limited to:

[A] Debris removal: Vegetation/trees; construction debris; soil, mud, sand; vehicles/vessels, hazardous waste, putrescent

[B] Emergency Protective Measures: Sandbagging; Barricades; Signage; extra police/fire, emergency health measures

[C] Roads and Bridges: Road, culvert, bridge, associated facilities

[D] Water Control Facilities: Dams, reservoirs, shore protection, pumping/irrigation, drainage channels, levees

[E] Buildings and Equipment: Buildings, supplies, inventory, vehicles, equipment

[F] Utilities: Facilities and systems for: water treatment/delivery, power generation/distribution, gas distribution, sewerage collection/treatment

[G] Parks and Recreation: Playground equipment, sports fields, boat docks, picnic tables, cemeteries, swimming pools

Private Nonprofit: Education, medical, emergency, custodial care, utilities, other community services

Images: If using a fillable PDF, use the "+" button to add damage images. Please minimize file size as much as possible. If filling out a hard copy, be sure to send images to your County EMA Director and refer to the appropriate itemized damage list number

Responsible Agency: Note the agency responsible for work and contact info

Comments: Examples of comments that will assist the assessment process:

[A] Debris Removal: Note the estimated amount (in cu yd), whether work is approved by DEP (yes/no), disposal location/address or specify "on site"

[B] Emergency Protective Measures: Note the amount of time and materials used

[C] Roads and Bridges: Note whether work is permitted by DEP (yes/no), materials and amounts used

[D] Water Control Facilities: Note whether work is permitted by DEP (yes/no), materials and amounts used

[E] Buildings and Equipment: Note whether work is permitted by DEP (yes/no), materials and amounts used

[F] Utilities: Note whether work is permitted by DEP (yes/no), materials and amounts used

[G] Parks and Recreation: Note whether work is permitted by DEP (yes/no), materials and amounts used

Private Nonprofits: Note whether work is permitted by DEP (yes/no), materials and amounts used

Thank you for submitting this Public Infrastructure Damage Assessment Form. Your participation is crucial for compiling a comprehensive State Disaster Declaration Request. Please note that FEMA now requires coordinate location data, damage imagery, and other damage and response documentation listed in the tables above as there is no guarantee that FEMA will perform an on-site assessment. There is also no guarantee that FEMA will accept claims with missing documentation or that a State Disaster Declaration Request will be approved. Please retain all receipts in the event of an approved Disaster Declaration.
