

# Telehealth in Action: Meeting Healthcare Needs During Disasters

June 27<sup>th</sup>, 2025

10am - 11am ET

Join us virtually! - Register via Zoom using [this link](#) or the QR code below!

## GUEST SPEAKER

### Tehnaz Boyle, MD, PhD

Associate Professor of Pediatrics,  
Boston Medical Center  
Region 1 Disaster Health Response  
System, Telehealth Group Lead

#### Moderator

Stacey Kokaram, MPH

Assistant Director of Funded Projects,  
Center for Disaster Medicine

## Objectives

Explain the differences between teleconsultations and telemedicine and **discuss laws and regulations** that impact telemedicine practice across jurisdictions

Discuss the pros and cons of using off-the-shelf video conferencing platforms and their **performance in degraded network conditions**

Examine **examples of telehealth implementation** and analyze insights gained to improve future deployment strategies
