MAY'S MEMBER MEETING RE CAP

We had 20 Members attend and Rick won the Gift card drawing at first but put back in for a re-draw and Robert came up as the winner of the Texas Roadhouse gift card!

Make sure to come next month on June 4th for your chance to win the gift card just for attending!

We went through a committee check in.

For the Competition committee Clayton went over the upcoming Tripod shoot. (THIS WEEKEND!!) We could use more volunteers for set up Friday morning and Sunday for tear down. All volunteers who help are going to be treated to a thank you dinner on Friday evening at 7pm. Tripod will kick off Friday evening at 6pm with a Smoker round! Saturday is the competition day with awards following around 4pm.

Sunday will be the fun shoot for everyone!

Social Committee will be meeting this month and have a report for us on a few events coming up next month.

Big Game committee let us know that Moose and Big Horn are out now and check to see if you were drawn for a tag. You have until June 5th to put in for the Elk, Deer and Pronghorn.

Range Committee: The swamp coolers are up and running! All of the cardboard was pushed up and straightened up in the back. Please do not climb on it behind the wall when retrieving lost arrows.

Media Committee has been working on the new website and it is up and running but not complete; however a beautiful upgrade.

Thom Nichols proposed to fix our roll away butts with a new wheeling system. We accepted the offer and one has been completed since this meeting - it rolls great!
