

Join Us...

We're so excited you are interested in learning about camelids, farms and rescues. We are a non-profit that relies on a volunteer base. All of our volunteers become part of our family.

Come on a Saturday 10:30 - 2 for training

We're on Lees Creek Rd, near Grocery Outlet, North of the RV Park

What this looks like for you is up to you, we're grateful for all the help we can get.

- Feed, water, cleaning stalls/paddocks, helping with medical.
- Special projects like installing fencing, building shelters, winterizing, stacking hay.
- Be a representative or help us coordinate community events and fundraisers.
- Distribute flyers, join our board meetings.
- Have a special talent you're like to offer?

What you need:

- Wear boots (rain or muck are best).
- Prepare for cold & wet temps with layers.
- Some like gloves (gardening or work type).
- Bring a snack and water bottle.
- Sunscreen and/or hat is recommended.

Thoughts and Considerations:

- Families are welcome. 8+ year olds are allowed to independently work on the farm. Under 8 need to be directly supervised by a parent.
- You're welcome to bring treats for the alpacas and llamas if you want, totally not required. Apples cut up and baby carrots and bananas are favorites.
- Prepare for clean-up afterwards: what works for us...we keep a tote in our car for our gear and put boots in plastic bags (grocery or kitchen garbage) to help keep things tidy. We also keep wet wipes, paper towels and hand sanitizer for clean-up after in our tote.
- There is a port-a-potty onsite.
