# PRESTIGIOUS ADDRESS FOR BUSINESS ADVANTAGE

Strategically located at a prominent intersection for utmost visibility, the Grade A Corporate Tower grand lobby ignites the confidence in your corporation's sterling business reputation. Opportunities and flexibility are abound with a selection of unit sizes to meet various business needs.

# THE PRIVILEGE OF PROXIMITY

Elevated above the Pavilion Lifestyle Mall with access to a luxury hotel within the building, the Corporate Suites & Hotel Tower offers convenient access to business and entertainment options.

## A COSMOPOLIS THAT CONNECTS

Seamlessly connected to the Pavilion Damansara Heights MRT station via a covered link bridge, the Kuala Lumpur city centre and central transportation hubs are within easy reach from your business.

# DESIGNED FOR DUAL COMPLIANCE

---

The building is designed to meet the BCA Green Mark, GreenRE, and the Malaysia Digital Economy Corporation (MDEC) regulations for Malaysia Digital (MD) Cybercentre compliance (formerly known as MSC Cybercentre).

Developments that offer this form of dual compliances are few, making this an attractive investment opportunity.

The development will incorporate all required features to enable the application to be made for the development to be conferred with "Malaysia Digital (MD) Cybercentre" status. The decision for conferment of "Malaysia Digital (MD) Cybercentre" status shall rest solely on MDEC and the developer shall not be held responsible in the event the development is not conferred with such status.

# A GLOBALLY RECOGNISED PRESENCE

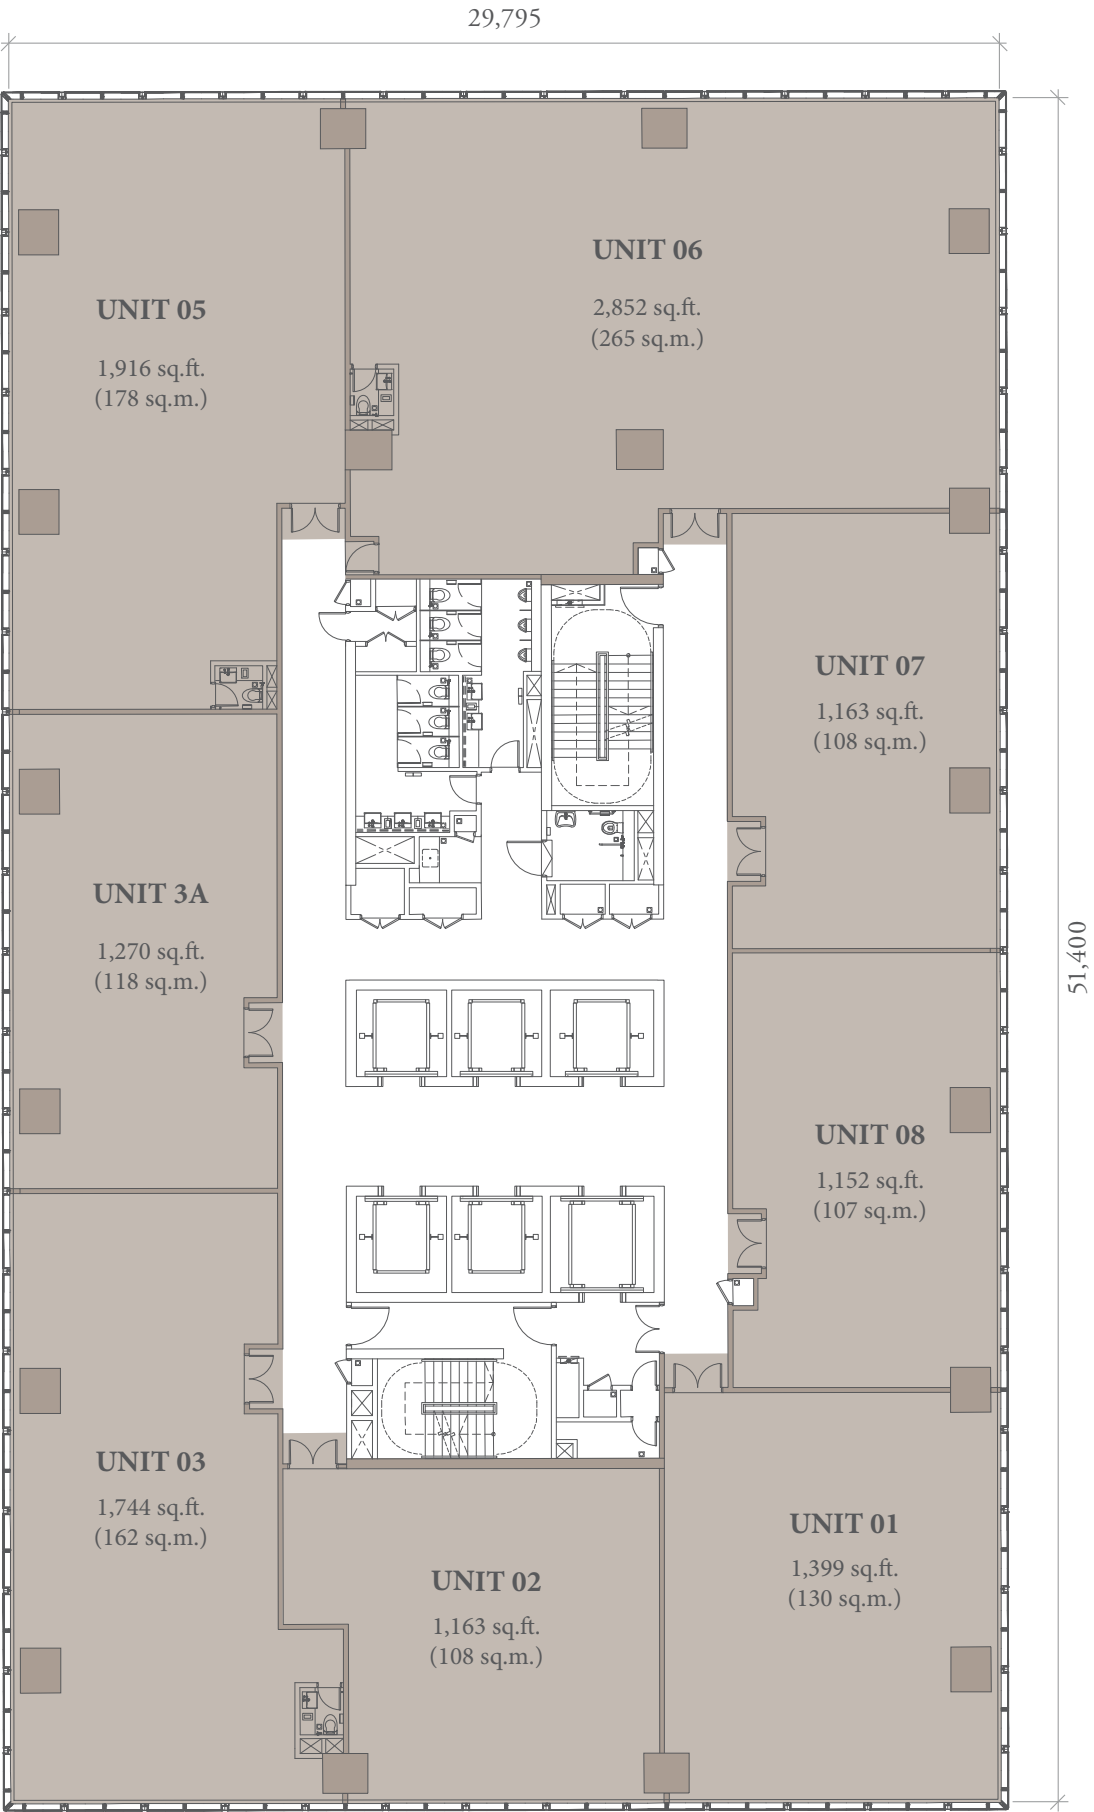

The Pavilion Group is a name that garners distinct recognition and is renowned for delivering remarkable developments. Its widely acclaimed success, Pavilion Kuala Lumpur, holds a myriad of local and international awards as a testament to the immaculate experience that awaits every mall visitor.
