Lotus Exports

Global Leaders in Spice & Agricultural Product Exports

We are a leading manufacturer, supplier, and exporter of a wide range of premium dehydrated products, powders, bulk spices, and Indian rice varieties. Our commitment is to provide the best quality spices that meet the precise specifications and requirements of our clients.

Quality is at the core of everything we do. We leverage advanced technology in our production processes to ensure that every product maintains superior quality, hygiene, and natural flavors, all while exceeding customer expectations. Our innovative packaging adds an elegant touch, enhancing the overall experience for our customers.

Our base is strategically located in Nagpur, the heart of India, with our production plant situated in Pulgaon, just 100 km away. This central location allows us to efficiently cater to both domestic and international markets.

Our Vision

Our vision is to produce premium-quality products and establish ourselves as a global leader in the spice and dehydrated powder industry. We strive to become a trusted supplier on the international stage, with client satisfaction at the heart of everything we do.
