Meeting for Planning the Event:

Workshop on AI & Industry 4.0 Tools for Innovation and Entrepreneurship

Agenda:

1. To plan a workshop on AI and Industry 4.0 tools
2. To discuss the relevance of emerging technologies in innovation
3. To finalize execution strategy and responsibilities

Meeting Proceedings:

Introduction and Welcome:

The meeting began with a welcome address to all IIC members. The objective of conducting a workshop on AI and Industry 4.0 tools for innovation and entrepreneurship was introduced.

Discussion on Workshop Theme:

Members discussed the importance of Artificial Intelligence and Industry 4.0 tools in today's industrial and startup ecosystem. The workshop was planned to help students understand how advanced technologies can support innovation and entrepreneurial development.

Event Planning Details:

Suggestions were made regarding the content of the workshop, including basic concepts of AI, real-world applications, and industry use cases. The need for an expert resource person was emphasized.

Roles and Responsibilities:

IIC members were assigned responsibilities related to coordination, technical arrangements, and student engagement to ensure effective execution of the workshop.

Meeting for Planning the Event:

Awareness Workshop: "Entrepreneurship & Innovation as Career Opportunities"

Agenda:

1. To plan an awareness workshop on entrepreneurship and innovation
2. To discuss objectives and expected outcomes of the event
3. To decide roles and responsibilities for smooth execution

Meeting Proceedings:

Introduction and Welcome:

The meeting commenced with a welcome to all IIC members and faculty coordinators. The importance of organizing an awareness workshop on entrepreneurship and innovation as career opportunities was discussed.

Discussion on Event Objectives:

The members discussed the need to create awareness among students about entrepreneurship and innovation as viable career options. The event was aimed at motivating students to think creatively and explore entrepreneurial opportunities.

Planning and Coordination:

Details regarding the event structure, target audience, and mode of conduct were discussed. Faculty coordinators suggested inviting a knowledgeable resource person to share real-life experiences and insights related to entrepreneurship.

Roles and Responsibilities:

Responsibilities were allocated among the IIC members for coordination, student participation, and overall event management to ensure smooth execution.

Expected Outcome:
