STUDENTS INNOVATIVE COUNCIL-GITW BENGALURU

Minutes of the Meeting:

Introduction and Greetings

The assembly commenced at 2:45 PM, led by the Convener, SIC-GITW. All participants were warmly received, and the proposed agenda was ratified.

Discussion on Event Concepts

Tasks related to the upcoming event, deliberated upon in the previous session, were delegated to respective members.

Event-01: Seminar on Innovative Ideas and Design on May 25th, 2024.

The creation of the speaker invitation poster, spearheaded by Ms. Wajeeha Khan and completed by Ms. Zainab Taj, has been finalized. Furthermore, the development of Google Docs, led by Ms. Farheen Firdous and concluded by Ms. Rabiya Uzma, has also reached completion.

Event-02: Student Paper Presentation on June 8th, 2024.

For the student technical paper presentation, the poster preparation task has been undertaken by Ms. Wajeeha Khan and Ms. Zainab Taj. Similarly, the successful creation of Google Docs was accomplished by Ms. Farheen Firdous and Ms. Rabiya Uzma. Additionally, Ms. Afiya Zuha and Ms. Bushra Fatima have managed the creation of e-certificates and successfully completed the Google Feedback Form. The responsibility of capturing video files and photographs has been entrusted to Ms. Ayman Siddiqua, Ms. Kaunain Hurera, and Ms. Umme Kulsum T.

The meeting adjourned with a vote of gratitude expressed by Mrs. Ruksana Banu, Assistant Professor, Department of Computer Science and Engineering.

Announcement of Subsequent Meeting

The following meeting is slated for May 16th, 2024..

STUDENTS INNOVATIVE COUNCIL-GITW BENGALURU

Minutes of the Meeting:

Introduction and Warm Greetings

The assembly convened at 3:50 PM, orchestrated by the Convener, SIC-GITW. Each attendee received a hearty welcome, and the agenda was formally sanctioned.

Discussion on Event Concepts

The tasks pertaining to the events deliberated upon in the previous session were individually delegated.

Event-01: Seminar on Innovative Ideas and Design on May 25th, 2024.

The responsibility for crafting the speaker invitation poster has been assumed by Ms. Wajeeha Khan and Ms. Zainab. Additionally, the creation of Google Docs has been undertaken by Ms. Farheen Firdous and Ms. Rabiya Uzma.

Event-02: Student Paper Presentation on June 8th, 2024.

For the student participants' group, the creation of Google Docs has been undertaken by Ms. Farheen Firdous and Ms. Rabiya Uzma. Furthermore, the task of preparing e-certificates has been undertaken by Ms. Afiya Zuha, Ms. Bushra Fatima, and Ms. Asfiya Fatima. The responsibility for capturing video files and photographs has been assumed by Ms. Ayman Siddiqua, Ms. Kaunain Hurera, and Ms. Umme Kulsum T.

The meeting concluded with a vote of thanks extended by Mrs. Ruksana Banu, Assistant Professor, Department of Computer Science and Engineering.

Announcement of Subsequent Meeting

The forthcoming meeting is slated for May 9th, 2024.

IBM, Bengaluru.

Sir,

We are conducting our College Annual Programme 'GIT FEMINA – 2024'. In this connection a technical talk titled "*Basic Research in Computer Science & Software Engineering*" has been scheduled on 25th May 2024.

I request you to be guest speaker in this Seminar and enlighten our budding students with your expertise in the field and provide valuable technical knowledge.

I'm extremely thankful for considering our invitation and sparing your valuable time.

I hope this letter will find you in the best of spirit.

With warm regards,

Dr. Faheem Ahmed Khan

SEMINAR ON BASIC RESEARCH IN COMPUTER SCIENCE & SOFTWARE ENGINEERING

Introduction:

Research plays a vital role in advancing computer science and software engineering in several key ways:

Innovation: Research drives innovation by exploring new ideas, concepts, and technologies. It pushes the boundaries of what is possible, leading to the development of novel algorithms, methodologies, and systems.

Problem Solving: Through research, computer scientists and software engineers tackle complex problems in areas such as artificial intelligence, cybersecurity, data science, and more. Research findings often lead to practical solutions that improve efficiency, security, and effectiveness in various domains.

Technological Advancement: Research contributes to the advancement of technology by introducing new tools, frameworks, and platforms. For example, research in programming languages leads to the development of more efficient compilers and interpreters, while research in networking results in faster and more reliable communication protocols.

Quality Assurance: Research in software engineering helps improve the quality and reliability of software systems. Techniques such as formal methods, testing methodologies, and software verification contribute to building software

that meets high standards of correctness and robustness.

Knowledge Expansion: Research expands our understanding of fundamental principles in computer science and software engineering. It deepens our knowledge of topics such as algorithms, data structures, computational theory, and software design principles.

Cross-disciplinary Collaboration: Research often involves collaboration between computer scientists, engineers, mathematicians, psychologists, and experts from other disciplines. This interdisciplinary approach leads to innovative solutions that address complex, real-world problems.

Education and Training: Research findings are integrated into educational curricula, providing students with up-to-date knowledge and practical skills. Research-oriented programs expose students to cutting-edge technologies and methodologies, preparing them for careers in academia, industry, and research institutions.

Economic Impact: Research drives economic growth by fostering the development of new industries, start-ups, and job opportunities. Breakthroughs in computer science and software engineering have led to the emergence of entire

Affiliated to VTU., Belagavi, Recognized by Government of Karnataka & A.I.C.T.E., New Delhi

sectors such as cloud computing, mobile technologies, and the Internet of Things.

Overall, research in computer science and software engineering is essential for pushing the boundaries of technology, solving complex problems, and driving innovation in both academic and industrial settings.

The guest of honor at the event, Dr. Saif Abrar, Advisory System Engineer at IBM in Bengaluru, is being felicitated.

Distinguished guests seated on the platform

Dr. Faheem Ahmed Khan, Principal of GITW; Dr. Saif Abrar, the keynote speaker of the occasion; Dr. Mohammed Naveed, Assistant Professor in the Department of Mechanical Engineering and the Convener of the event; Mrs. Ruksana Banu, Assistant Professor in the Department of Computer Science & Engineering and the Coordinator of the event; and Dr. H M Parveez Ahmed, Professor & Head of the Department of Chemistry. They are observed on the stage (from left clockwise).

The event was overseen by student members Ms. Wajeeha Khan and Ms. Rabiya Uzma.

Wajeeha Khan: "Good morning, everyone I am Wajeeha Khan. We are pleased to extend our warmest greetings to you all for the Seminar on Basic Research in Computer Science and Software Engineering.

Rabiya Uzma: And I am Rabiya Uzma. It is a privilege for us to serve as your hosts on this significant occasion. To commence our proceedings, let us seek the blessings of the Divine. I would like to invite our fellow student members, Ms. Umme Kulsum T and Ms. Asfiya Fathima, to lead us in prayer.

Event's invocation by student members Ms. Umme Kulsum T and Ms. Asfiya Fathima.

The event's invocation was conducted by student members Ms. Umme Kulsum T and Ms. Asfiya Fathima, who recited Surah-Al-Fateha from the Holy Quran.

I seek refuge in Allah from Satan, the accursed.

In the name of Allah, the Entirely Merciful, the Especially Merciful. Praise be to Allah, the Lord of all the worlds. The Entirely Merciful, the Especially Merciful, Sovereign of the Day of Recompense. You alone we worship, and You alone we ask for help. Guide us on the Straight Path, the path of those who have received Your grace; not the path of those who have brought down wrath upon themselves, nor of those who have gone astray.

Welcome address delivered by Ms. Wajeeha Khan and Ms. Rabiya Uzma.

Wajeeha Khan: "It is with great pleasure that I extend a warm welcome to our esteemed Principal, Dr. Faheem Ahmed Khan, whose visionary leadership and steadfast dedication to excellence continue to motivate us. Sir, your guidance has played a pivotal role in shaping the future of our institution and fostering an environment conducive to learning and development."

"I extend a special welcome to our Chief Guest, Dr. Saif Abrar, Advisory System Engineer at IBM Bengaluru. We are profoundly honored by your presence today, sir. Your accomplishments and contributions serve as a source of inspiration for us all. We eagerly anticipate your address and the valuable insights you will impart."

"I would like to invite Ms. Zainab Taj to present a bouquet to our esteemed chief guest."

Felicitations of the Chief Guest Dr. Saif Abrar.

I also take this opportunity to welcome Dr. Mohammed Naveed, Assistant Professor, Department of Mechanical Engineering, Convener SIC-GITW whose meticulous planning has ensured the seamless organization of this event. We welcome you sir.

A warm welcome to Mrs. Ruksana Banu, Assistant Professor, Department of Computer Science & Engineering, Coordinator SIC-GITW. We welcome you ma'am.

We Welcome all our Teachers and Friends who have gathered over here. Your enthusiasm, curiosity, and participation are the heart of this institution. It is for you that we strive to create memorable and enriching experiences, and we are delighted to see your eagerness and involvement today.

As we embark on this event, let us embrace the spirit of learning, collaboration, and celebration. May today be filled with meaningful exchanges, inspiration, and a sense of community that binds us all together. Once again, welcome to each and every

one of you present over here.

Presidential address by Dr. Faheem Ahmed Khan, Principal GITW.

Reading of the speaker Dr. Saif Abrar's bio-data by the student member Ms. Sara Salith.

"It is my privilege to introduce our esteemed guest for today, Dr. Saif Abrar.

Dr. Abrar holds the distinguished position of Advisory Systems Engineer at IBM Bengaluru, boasting a career spanning over 12 years and 5 months. He has made substantial contributions to the field of Engineering.

Throughout his illustrious career, Dr. Abrar has accumulated extensive experience in performance analysis and optimization, utilizing tools such as Traffic Generators, Performance Counters, Cache Stimulators, and Pipelines. He has worked with benchmarks like Dhry/Whetstone, SPEC, and EEMBC.

Dr. Abrar has authored 35 research papers and supervised 19 B.Tech/M.Tech final year projects. He has also designed methodologies and tools, including Performance Counters in IBM Power Simulator, Energy Models for Philips R.E.A.L. DSP, Graphical Integration and Visualization of Systems, and Dual-mode (Python/TCL) Scripting User Interface, among others.

In addition to his professional roles, Dr. Abrar has been a member of esteemed organizations such as Member of Technical Staff at Intel Corporation, Member of Technical Staff at Infineon Technologies, Senior Technical Leader at NXP Semiconductors, and Technical Leader at Philips.

GHOUSIA INSTITUTE OF TECHNOLOGY FOR WOMEN

Near Dairy Circle, Hosur Road, Bengaluru-560029, KARNATAKA

Affiliated to VTU., Belagavi, Recognized by Government of Karnataka & A.I.C.T.E., New Delhi

Dr. Abrar boasts an impressive academic background, holding a PhD in Computer Science and Engineering from TalTech-Tallinn University of Technology, an M.Tech in VLSI Design, Tools, and Technology from IIT Delhi, and a B.Tech in Computer Science & Engineering from Aligarh Muslim University. He also possesses expertise in

System-level HW/SW stimulation for functional, approximate, and cycle-accurate modeling, performance analysis and optimization, software bring-up and debug, and power dissipation. These achievements demonstrate his continuous dedication to learning and growth. We are privileged to have Dr. Abrar with us today."

A very good morning to all. This is Farheen Firdous. On behalf of all students and staff, I am glad to be standing here to express my vote of thanks. A special thanks to our Guest Dr. Saif Abrar for accepting our invitation and being here with us today, your thoughts and teaching have truly inspired us. I thank our Principal Dr. Faheem Ahmed Khan for always supporting and guiding us. Sincere thanks to our convener Dr. Mohammed Naveed and event Co-ordinator Mrs. Ruksana Banu. A wide round of applause and thanks to all our Members of Innovative Club who made this day possible. Finally, I would like to thank all of you present here. Thank you one and all for making this event a grand success
