OUR MISSION

At Mark It Up, we know how important it is for small businesses, startups, and sole traders to have a strong and professional online presence. But we also understand that branding and web design can be expensive and overwhelming—that's where we come in.

Our mission is simple: We provide affordable, high-quality design and digital services that help businesses stand out, attract more customers, and grow—without the hassle or huge upfront costs.

What we Offer:

- > Custom Branding that makes your business look professional
- > Website Solutions that are easy, affordable, and hassle-free
- > Ongoing Support so you never have to worry about the tech stuff

We believe every business deserves a strong brand and online presence—no matter how small. Let us handle the design, so you can focus on running your business.

MEET THE TEAM

Hi, I'm Magda Piotrowska, the founder of Mark It Up! With a passion for design, branding, and helping small businesses grow, I created this business to give startups and entrepreneurs the professional image they deserve—without the big agency prices.

**MAGDA
PIOTROWSKA**

I know how overwhelming it can be to build a business from the ground up, especially when it comes to logos, branding, and websites. That's why I focus on making the process easy, affordable, and stress-free for business owners who just want to focus on what they do best.

With years of experience in graphic design, web development, and digital marketing, I specialize in crafting custom branding, business materials, and websites that help businesses stand out and attract more customers.

OUR GOALS

● MAKE BRANDING & DESIGN ACCESSIBLE

We provide affordable, high-quality logos, websites, and marketing materials for small businesses.

● HELP BUSINESSES STAND OUT

We create unique, professional designs that attract customers and build credibility.

● SIMPLIFY THE PROCESS

We take care of the design and tech, so you can focus on growing your business.

1.

Affordable & Transparent
Pricing - No hidden fees,
just great value.

2.

Fast & Hassle-Free Service
- Get your designs done
quickly with no stress

3.

Ongoing Support - We're
here to help, even after your
project is complete.
