Beginner's Workshops: Parts 1 & 2

If you are a beginner quilter and haven't joined us on this adventure yet, make sure to join us for Part 1 of the SoGrizz Beginner's Workshops.

It is such a wonderful way to be introduced to quilting and to build up some confidence before heading out to explore on your own. Part 2 is designed for people who have completed Part 1 and are ready to expand their skills!

Group sizes are small, so personal attention is high! Also, classes are given either in English or Dutch, whichever the participants prefer.

Part 1: "Sew It Begins" - Foundations of Quilting

The aim of this first workshop in our Beginner's Series is to teach you all the basic steps needed to produce a quilt. It is a gentle introduction, which will teach you the fundamentals without it being too challenging.
