Detective Bennett,

Thank you for your reply. Steven is in the restricted wing at the VA hospital in West LA. I am meeting with his doctors tomorrow around 10 AM. I spoke with Lisa Grey(?) at 310-478-3711, extension 48423 or 40661.

As for the meeting, I think it best I come to your station. I can make it anytime. Would you also want to talk with my girlfriend, Fumiko Youshikawa, also a resident, and has had interaction with Josefina and Steven.

Thank you

Good morning sir,

Due to the complexity of this case I'm going to request some assistance from another Detective who is an expert in these types of investigations. I'd like to meet with you next week sometime to discuss this case, preferably Monday, Tuesday or Wednesday. We can come meet you or if you prefer we can meet at the station. Let me know what works best for you.

In the meantime, can you tell me where Steven is residing at the moment and provide a contact number for him or the facility?

Thank you.
