OMT programs are focused on the following strategic key result areas:

- i. Strengthening institutional capacity & digitalization;
- ii. Increased youth and women access to employment, agribusiness, entrepreneurship & innovation;
- iii. Empower youth to influence development policies, budgets and tax programs;
- iv. Increased youth, women and children access to laws and human rights;
- v. Promote educational inclusion, environment, empowerment and networking; and
- vi. Promote Cooperatives and Public-Private Partnerships.

OUR MOTO: 'Alternative Way of Thinking'
